Anti-Airport Move Lags

HAROLD SHAY, the florist, has quit as chairman of the campaign to hold up the new county airport . . . Creighton Sanders, sports voice of Channel 10, says plans are afoot to change the Fathers and Sons baseball awards banquet to November next year, instead of the usual January date. A program pheasant hunting one day, duck hunting the next, then the golf tournament and banquet, would be lined up in effort to lure the really big major leaguers. . . Sheriff John Misterly told KCRA the local Cosa Nostra was blocked in an attempt to line up prostitution at Newcastle . . . Growth of the Comstock Club, which brings celebs to town monthly, has been phenomenal under charter president E. J. Duffy. About 100 were at the organizing meeting five months ago; now 566 are signed. . . Have you noted that Eugene Lemmon, manager of the new State Fair, now says it will be opened in "either 68 or 69?" Until this statement 1968 seemed a firm inaugural date . . . Lemmon, by the way, will make his first major local appearance at Trade Club Wednesday night, although it's 10 to 1 Donna Theodore, a beautiful song stylist, will receive more attention . . . The more people there are, the more mosquitoes, despite intensive efforts to exterminate the critters. So help stamp 'em out by calling the mosquito abatement district at 922-6526 whenever you're bitten. . . Bill Rase's variety show started its ninth year on Channel 3 Saturday, making it the oldest local program on the big tube. Every Saturday, 3 p.m.-4 p.m.

Sacramento, Calif.—Business has been picking up in this area lately, with more combos and full bands finding steady work.

The Five Spaces at the Clayton club are doing nice business. Unit is one of finest to play this city in some time, doing a complete floor show, playing some fine Dixieland jazz on occasion, and featuring excellent vocals by the whole group.

The Art Bras trio is on the stand nightly except Tuesday at the Club Charles, with the Bill Vogel trio subbing then. . . . Paul Rodriques and his piano at Buddy Baer's theater-restaurant. . . . Singer Marilyn King in at the Alibi with Helen Tvede's piano stylings. . . . Al Dary at the Red Hen.

Forrest Cattlet's trio at Rodney's. . . . Pepe Delgado is taking a vacation, and pianist Jim Ooley is in as a single at Tiny's. . . . Dick Dildine's orchestra at the El Rancho, with George Arnold's *Carnival on Ice* playing to capacity houses.

Jess Morales, local Latin band leader, just grabbed a sponsor for a half-hour weekly air shot on KROY. . . . Bill Rase, local singer, made his first recording on Mars label. Legionnaires Dance In 1949 Tonight

Yolo post, No. 77, American Legion, will hold its annual New Year's Eve dance tonight from 9 to 2 o'clock in the Legion hall with Bill Rase's orchestra furnishing the music. The public is invited.

Except for 1941 and 1942, the Legion has held a New Year's Eve dance for many years. The 1945 affair attracted 958 persons—the largest crowd in the history of Legion dances here.

Admission charge is $1.25 per person and there will be free hats and noise-makers. The Legion clubrooms will be open to veterans and their guests. Joe Espigares, second vice commander, is in charge of the dance with Eldon Bell in the clubrooms.

STAG DANCE IS SUCCESS

Many students took advantage of the opportunity to get acquainted at the Student Association Stag-Staggette dance last Friday night in the women's gym following the intra squad football game. Music was provided by Bill Rase and his orchestra and dancing was from ten to twelve p. m.

Although the dance was staged primarily to help new students become acquainted with campus activities and other students, the majority of those attending were the familiar faces of old students. The staggettes were as plentiful as the stags and no one need be left watching on the side lines. Seen at the dance were Alliene Flanry, women's vice president, and the majority of her Booster committee, Lorraine Hole, Joan Casteel, Jim Warner, Phil Knight, Marie Cordano, Bruce Hrabak, Terry Zito, Ward Moul, Lee Holm, Betty Augustine, Norine Bellisi, and Gordon Hart.

Joan Boucher, Bob Wyman, Dale Fairlee, Tom Biagioni, Bob Carlsburg, Keith White, Bill Riley, Patsy Jeffs, Art Whitfield, Norwood Erich, Merritt Nickerson, Bea Anne Muns, Don Harvie, Stella Coleman and John Maloney.

13 Omega Nu Sorority Units To End 43rd Conclave Today

By Valley News Service

WOODLAND—Delegates from 13 chapters of Omega Nu Sorority convened here over the weekend for their 43rd annual conclave, with members of Woodland's Alpha Gamma Chapter as hostesses. Activities began Friday afternoon with registration of delegates at Hotel Woodland. The opening meeting of the group was held Friday evening at the Women's Clubhouse, following which guests and their husbands were entertained at a "County Fair Gay Way" at the Elks Club.

Saturday morning Grand President Norma Kirkland and Grand Secretary Eleanor Morley were honored at breakfast. After a morning business meeting, at which grand officers for the next year were chosen and installed, all delegates attended a luncheon at the high school cafeteria. Feature of the luncheon was a fashion show. In the evening a dinner dance was held for guests and their escorts.

THE CONCLUDING event of the convention will be a brunch from 10 to 12 A. M. Sunday.

The main project of all Omega Nu chapters during the past year has been to provide financial aid for the Recreation for the Blind Program, founded by Rose Resnick of San Francisco. Recreation for the Blind is the first organized effort to provide a constructive recreation program for visually-handicapped children. The first summer camp was held in August, 1947 at Los Gatos, where children between the ages of 8 and 14 were able to enjoy sports, crafts and camping experiences which had previously been available only to those who had their sight. Miss Resnick, who will attend the conclave, was honored at a cocktail party preceding the Saturday luncheon.

OMEGA NU contributed a total of $2,525.99 to the program during the last year, raising money by means of various projects in their own chapters. In addition to this work, Omega Nu members contributed time and money to the cancer fund, tuberculosis drive, Red Cross, scout work, assisting at medical and dental clinics for children as well as providing necessary medical care and clothing to needy families in their own communities.

General chairman for the three-day convention was Marjorie Behrman of Davis, who also holds the office of grand treasurer.

Grand officers who presided over the meetings were Norma Kirkland, grand president; Helen Jones, grand senior vice president; Bunny Streckfus, grand junior vice president; Martha Halloway, grand recorder; Eleanor Morley, grand secretary; Marjorie Behrman, grand treasurer; Bette Belle Smith grand guard, and Carme Thompson, grand parliamentarian.

AS 1963 ENDS, Good Morning salutes and wishes a Happy New Year to Walter, Frank, Louis and Eddie Kassis, for underwriting the Porky Oliver Memorial golf tournament at Sunset Oaks $15,000 worth (and you can get tickets at Stop-'n-Shop) . . . To city councilman Albert Talkin, traffic engineer Dudley Stevens and those doughty auxiliary policemen for helping to relieve the downtown auto congestion (but it's just a start) . . . To Sadao Sagami, who called Sammee Tong on the cerebral palsy telethon and said, "You houseboy, me houseboy too. I give $5 and challenge all houseboys to match it." To Bill Rase of Channel 3 for giving all that talent a chance to perform on his Saturday afternoon shows (this Saturday the Camellia City Sweet Adelines) . . . Warren Girl's Lung Injured

Governor Warren's 19-year-old daughter Dorothy incurred a slight lung puncture—not serious—in an automobile accident early Sunday.

She also was injured slightly about the ribs, according to the specialist who examined her. He regarded the lung puncture as minor and said it would heal without surgery.

The collision in which Dorothy was hurt occurred during a rainstorm while a companion, Robert E. Harris of Vallejo, was driving her home from a fraternity dance. Both are students at the University of California College of Agriculture at Davis.

The Harris car ran into the back end of a truck which had stopped to let a train pass. Harris, who was uninjured, said the rain hindered his vision.

Dorothy is the second of Warren's daughters to be hospitalized this month. Nina, 17, developed polio, which affected her legs, on November 7. Doctors say she will recover. She is due to leave the hospital next week.

Mishap Injures Warren Girl

Dorothy Warren, 19-year-old daughter of Governor Warren, was injured slightly in a highway accident yesterday.

Her sister, Nina, 17, is recovering from infantile paralysis.

Dorothy suffered three or four cracked ribs, the governor's office said, when the car in which she was riding crashed into the rear of a truck.

Her companion, Robert E. Harris of Vallejo, was not hurt.

The couple, both students at the University of California College of Agriculture at Davis, were returning from a Beta Phi fraternity dance. The truck had stopped at the entrance of Tower Bridge to allow a train to go by.

DO YOU REMEMBER?

Mananas, do you remember all the fun we've had;
All our jokes, both good and bad,
And the dances, parties, and games?
We hope you remember, but if you don't
Here are some of those names—

There was "Heaven Sent" out at Danisio's
We were only Sophs, but we still had fun.
Carol Tracy was our Prexy, cute and able.
There was just one thing—we had to be in by one!

Do you remember the football game
When we flattened the K. T.'s?
Queener led us right through the gore
We all had fun, but were we sore!

We had a lot of fun that term in everything we did;
Ski trips, meetings and all the rest.
With Tracy, Queener, Roberts and Wall
Manana was filled with zest.

The Carabet came again that Spring,
We were all a tribe of Injuns.
"Wampam Whoopee" was a big success.
You remember, maybe, Yes?

Then that trip to Soda that we never will forget—
Oh brother! What a let down!
We were told we were snowed in,
And then convoyed back to town!

Janet Wilson was the Sweetheart of Eunoia, Corfee our King;
Manana-Eunoia was a big event.
Fish nets and Davey Jones as props—
Dottie, Jean, Sallie and Mary Ann, you were tops!

At the second annual "Sock Hop" good times were had by all,
We danced on and on without our shoes.
But then about the middle of the night
We had those "your feet are showing" blues.

Do you remember "Imagination", the dinner dance last fall?
We had soft lights and Danisio's special steak,
The decorations looked nice — the girls all very purty.
This one was a little nicer — w'ed graduated to one-thirty.

We all went to "Snuffy" — and all the parties, too.
The Eunoias came from far and near
To help make that week-end
The most memorable of the year!

Do you remember the Fashion Show?
Janet was a wonder, Eugenie was swell —
And Judy's funny minutes and Jennie's missing money?
They all made the Fall of '49 a honey.

Along came April Fool's Day and the Cabaret —
There were all the cons and poor Willie up on the rafter
The entertainment was good and the paper fun —
"Escape" is something we'll remember long after!

We had our fun in song and dance
Myra, Char and Sally were pro's
That was the era of the Balboa
But most of us were just too slowa!

There were the raffles and parties
And good times and bad
We went up to Donner and tried to ski
But Miss Welsh's leg looked a little sad!

Skinnay Ennis played for "Country Club"
Jennie was the Sweetheart, Jim Willett our shining King
And as for Hunter, Warren, Cavanaugh and Haw—
You were really something!

And now we've come to this year,
The best one of all!
While you're remembering all the things you might
Most of all remember tonight!

About The Program

"Hi, "Jane! I read all about you in a recent magazine article and thought you might like to hear about my show on K C R A.

"The Bill Rase Show" is a full-hour of music , chatter , interviews and informal fun featuring Sacramento Valley's most popular personality and disc-jockey.

The format of the program includes recorded popular music appealing to a wide audience ; local items of interest and interviews with big name stars such as Johnnie Ray , Harry James , Woody Herman , etc . The show is actually a showcase for visiting musical celebrities.

In addition to all this , Bill Rase has his own dance band -- the most popular one around, we might add --and he makes it his business to know and play the music people want to hear most .

About The Personality

Bill Rase , for over seven years , Sacramento's most popular dance-band leader among the campus crowds , the young married set and social groups , conducts the " Bill Rase Show."., bringing to his listeners the best in recorded popular music , local and campus items of interest ....and feature interviews.

Bill, who is President of Sacramento State College , and former president of Sacramento Junior College , circulates among his listeners all week long and accurately reflects their musical preferences on his show. He hears the popular tunes on juke-boxes at schools....he receives requests at dances he plays with his band....he knows which tunes are on the way up!

Bill has a large and enthusiastic audience with a personal interest in his show . It is a loyal audience ..and most receptive to an advertisers message. It is a following built as a result of his many activities. For instance, his band plays at all the high school and college dances , at the three military

Mardi Gras Ball!

A New Year is here — a new year begun —
Things will be different in Fifty-One;
For instance, our MARDI GRAS, listen to this:
We go back 30 years—"YOU MUST NOT MISS!"
Two hundred couples the crowd used to be —
Let's do it again — that means YOU and ME!

Real judges are ready this year in advance —
No last-minute ones, picked happen-stance!
Now you can get busy with out-of-town friends
And make plans for costumes and things, no ends!
If you live hereabouts — "you gotta belong,"
Or be a "house guest" to "wear a sarong" —
The Mardi Gras's History — "a social affair" —
Too good for "T-V" or to go on the air!

You have to be present to enjoy all this fun;
Make Ed Merrill happy — use your telephone!
Call friends far away and say, "This is the year-
The old Mardi Gras will call for a Cheer!
What good is a Country Club, we'd like to know,
If one ANNUAL MARDI GRAS can't be a real GO?

. . . At The Yolo Fliers Club

— Dancing -- 10 p. m. to 2 a. m.!
— Bill Rase's Band with "Mitzi"!
— A table full of hors d'oeuvres!

SACRAMENTO COLLEGE

In spite of a losing record, hosting Sacramento Junior College has served notice in recent outings that it is capable of over-hauling any of the tourney entries. Hitting their seasonal peak in January at the State Tourney in Modesto, the Panthers have since lost the services of Center Frank St. Clair and Guard Bill Haselwood, both first-stringers.

Sacramento is coached by University of California graduate Ned Kay. The veteran mentor also is director of the current tournament, regional vice president and Athletic Director at Sacramento JC. Kay utilizes the fast-breaking style of play.

Mike Libera, Bob Reynolds, and Tom Sekul are the leading pointmakers for the Panthers.

Gory Gulch is openin' wide,
All timid souls had better hide.
April 13th Manana is ridin' fast,
Come and see how long you'll last.

There'll be shootin' from 9 to 1
For a dollar and a half you'll have
rip-snortin' fun.
Lasso dat gal and bring her with you
The doors at Gov'ner's Hall will be swingin'
too.

Red Rase and all his boys
Will entertain you with their noise.
So mount your nag
And bring your hag
To Gory Gulch.

Campustories: SJC Homecoming Friday

By PAM KELLEY

Amid a colorful parade of floats and cars, a decorated football stadium, and a festive after-game dance, Sacramento Junior College students will celebrate their 1955 homecoming Friday.

A pre-game rally in school auditorium Thursday noon will kick off homecoming festivities. Homecoming queen will be crowned and football skits, college songs and yells, and personal appearance of Alliene Flanery will highlight the program. Miss Flanery, former SJC women's vice-president, has just returned from a singing tour in Korea.

Homecoming queen and her attendants will be elected by members of the football team Tuesday. Queen will lead a parade of cars and floats which will leave the campus Friday at 6:30 P. M., circle the downtown area and return to the college.

KICKOFF for the SJC-Santa Rosa JC homecoming has been set for 8 P. M. in Hughes Stadium. Floats and cars, entered by sororities, fraternities, and campus clubs, will be judged during halftime activities. Trophies will be awarded to winning car and float, with plaques given as second and third prizes.

Presiding during the mid-game events will be homecoming chairman Berny Thompson, who will introduce the queen and, with Ray Lenau, student association president, will present awards.

Climaxing activities will be after-game dance in Men's Gym. Sections of the gym walls will be decorated by individual campus organizations carrying out the theme "1955 Homecoming." Marlene Irwin is general chairman. Bill Rase's orchestra will provide music for the final football event.

Amid a colorful parade of floats and cars, a decorated football stadium, and a festive after-game dance, Sacramento Junior College students will celebrate their 1955 homecoming Friday.

A pre-game rally in school auditorium Thursday noon will kick off homecoming festivities. Homecoming queen will be crowned and football skits, college songs and yells, and personal appearance of Alliene Flanery will highlight the program. Miss Flanery, former SJC women's vice-president, has just returned from a singing tour in Korea.

Homecoming queen and her attendants will be elected by members of the football team Tuesday. Queen will lead a parade of cars and floats which will leave the campus Friday at 6:30 P. M., circle the downtown area and return to the college.

KICKOFF for the SJC-Santa Rosa JC homecoming has been set for 8 P. M. in Hughes Stadium. Floats and cars, entered by sororities, fraternities, and campus clubs, will be judged during halftime activities. Trophies will be awarded to winning car and float, with plaques given as second and third prizes.

Presiding during the mid-game events will be homecoming chairman Berny Thompson, who will introduce the queen and, with Ray Lenau, student association president, will present awards.

Climaxing activities will be after-game dance in Men's Gym. Sections of the gym walls will be decorated by individual campus organizations carrying out the theme "1955 Homecoming." Marlene Irwin is general chairman. Bill Rase's orchestra will provide music for the final football event.

GETTING READY for the Sacramento Junior College Homecoming football game are (left to right) Peggy Bendekovits, Berny Thompson, and Eleanor Royce.

Seventh Annual Red Ticket Drive Ends; Climax Fond Memory To Many

The seventh annual Red Ticket dance held last Saturday at Governor's Hall is now just a fond memory for little over 1000 McClellanites who were present. While the crowd was small compared with other years, they more than made up in enthusiasm what they lacked in numbers.

All agreed it was a pretty large night, what with the fine music provided by Bill Rase and his band, the big drawings, favorable weather and air conditioned hall. We were fortunate in having a celebrity in our midst in the person of Jackie Walker who appeared with Bill Rase as guest vocalist.

Seventh Annual Red Ticket Drive Ends; Climax Fond Memory To Many

The seventh annual Red Ticket dance held last Saturday at Governor's Hall is now just a fond memory for little over 1000 McClellanites who were present. While the crowd was small compared with other years, they more than made up in enthusiasm what they lacked in numbers.

All agreed it was a pretty large night, what with the fine music provided by Bill Rase and his band, the big drawings, favorable weather and air conditioned hall. We were fortunate in having a celebrity in our midst in the person of Jackie Walker who appeared with Bill Rase as guest vocalist.

jockey in Sacramento.

Reasons for the popularity of "The Bill Rase Show": The three main audience groups which Bill caters to are steady listeners for several reasons. 4:30 to 5:30 in the afternoon finds the average young housewife preparing dinner or getting ready to do so. She listens to music, and she knows that she will hear music on Bill's show. Other stations program erratically and usually with news and kid shows. While there is no doubt that these are good shows for this time of day, housewives do not especially care for them. The teenage audience is listening to "The Bill Rase Show". Other stations in town have tried to emulate Bill's success with this fickle element with no results. Howling mobs of these curious people in our studios and their flood of letters, cards, requests, etc., have convinced us that Sacramento teenagers, if they do nothing else, listen to "The Bill Rase Show". It is difficult to explain this situation in a way which is not excessively boastful. If you could see our studios when the thundering herd descends, you would not fail to be convinced. Sacramento is an early rising community and most people finish their days work between 4:30 and 5:30 PM. (State and Federal workers, Military personnel, SP, Agricultural workers, etc.) They listen to the radio on the way home. "The Bill Rase Show" gives them music in a listenable fashion. No surveys of auto radio listening have been made in Sacramento, but surveys in other markets show that music is the thing the automobile audience listens to most. We are content to let the other four local stations fight for the news audience.

"The Bill Rase Show" is unique in another respect. There are none of the vacumn cleaner, free diamond and assorted other objectionable pitches on the show. We do not have to take that sort of business, and we do not. KCRA is a quality radio station in a quality market.

Participations Available: Three or more times per week. Et with live tags and Product Fact Sheets preferred.

Music And The Dance

Pauline Duncan is the lucky winner of the big $50.00 merchandise order. Pauline was unable to attended the Spring Dance May 5th and was so busy Monday that she didn't find out until Tuesday that she held the lucky number in the Spring Dance raffle. She says she has plenty of places to spend the money. Being a ticket seller has it's advantages, too, for Thelma Shealey, who sold Pauline the winning ticket, received a lovely pair of hose for her efforts.

Other prizes have been claimed by Marion Lund, George Forbes, Carolyn Johnson, Mrs. Niles, Bob Jewell, Fred Macon. One prize has not yet been claimed; the number is 077452—check those tickets.

The drawing was held at 11:00 with Jack Newell, M.A.A. president, officiating and Bessie Hart drawing the numbers. They were much disappointed that they couldn't find their own numbers in that box.

Approximately 200 people enjoyed the evening of dancing at the Masonic Temple. Especially enjoyable was the music of Bill Rase's orchestra—smooth-dreamy-fun to dance to. Those were some of the comments for Bill's fine group. Bill's mother, in draperies, can well be proud.

Thirsts of the dancers were quenched at the punch bowl and served by Mrs. Joe Mello, Mrs. Rase, Betty Barton, Stella Enos and anyone who happened to be near the ladle when someone held out a cup. Everyone helped make the dance a success and we want to express our appreciation to you all, especially those members of the committee: Betty Barton, Thelma Weindel, Cecelia Strait, Bessie Hart, Conley Smith, Thelma Shealey.

We learned a few things which will help make the next store party an even greater success. And be looking forward to a summer picnic of swimming and dancing.

Buzz of the Hornet

Thanks for the criticism last week, chilluns, keep it constructive and we'll keep listening. Simply everyone knows how to spell exhilarating NOW, even though NOW is too late!

And what's the good word with you? Studies getting you down? Relax! There is plenty of time, Even though there is a paper due tomorrow, a book to be read by tomorrow, a mid-term to be studied for tomorrow, what's the difference? Can't always be on top.

Around the SSCene: Al Cayous, pronounced by ignoring the final "s", reported some interesting stuff on three men about music: Tom Kenny, a social science major and senior at SSC, spends six nights a week at the Capitol Inn with a four piece "combo". Kenny plays the saxophone, clarinet and flute and has had experience with such names as Clyde McCoy and Elliott Lawrence. Another M about M is student body president Billy Rasey, a speech major, who also leads his own band on weekend nights. In case you're in a dancing mood, the JC's freshman ball is a week from Friday. Rase's band is going to play for it. There will be good music, anyway. And our student body cards will be honored.

Thanks for the criticism last week, chilluns, keep it constructive and we'll keep listening. Simply everyone knows how to spell exhilarating NOW, even though NOW is too late!

And what's the good word with you? Studies getting you down? Relax! There is plenty of time, Even though there is a paper due tomorrow, a book to be read by tomorrow, a mid-term to be studied for tomorrow, what's the difference? Can't always be on top.

Around the SSCene: Al Cayous, pronounced by ignoring the final "s", reported some interesting stuff on three men about music: Tom Kenny, a social science major and senior at SSC, spends six nights a week at the Capitol Inn with a four piece "combo". Kenny plays the saxophone, clarinet and flute and has had experience with such names as Clyde McCoy and Elliott Lawrence. Another M about M is student body president Billy Rasey, a speech major, who also leads his own band on weekend nights. State College to Crown Queen of Basketball

Something new has been added to Sacramento State College, and it looks as if it is the beginning of a tradition that will remain important in campus activities every time the basketball season rolls around. Since basketball is the number one sport at SSC, it is logical that this new idea should highlight the basketball season.

Friday night, when the SSC Hornets clash with the Fresno State College Bulldogs, a Casaba Queen will be selected to reign over the basketball season. This contest is the first contest of its kind to take place at SSC.

Two candidates are in the queen race—Helen Zwack, a high junior student who is being sponsored by Newman Club; and Veronica Silvey, a high junior sponsored by California Student Teachers Association.

The student body will vote on the two candidates Friday. The winner will be announced and crowned at a dance in the college women's gymnasium following the basketball game.

The candidates will be introduced at a special rally Tuesday at 12:50 P. M. in the college auditorium. Phyllis Barton and Julia Akana are chairmen of the program. The opening talk will be given by Dr. Guy A. West, college president.

GENE WILLIAMS, dressed for his role as a Swami, looks into his crystal basketball to see what is on the agenda for Friday night's Casaba Queen contest. In it he sees two Sacramento State College coeds who are candidates in the queen contest. Veronica Silvey is the coed to the left, and Helen Zwack is the other charming contestant who is seeking the crown which will be presented at the after-game dance.

Photograph By Joe Benetti, Sacramento Union Cameraman

As the program gets under way, the rally scene will change to a Swami's court. Since the BUZZ Club is sponsoring the Casaba Queen contest, the leading character in the rally skit will be swami of the land of Buzz. The swami will be portrayed by Gene Williams, manager of the basketball team.

General outline of his story is that he is searching for a queen for his land and asks aid from his people. To relax the swami, the caliph presents entertainment.

Wayne Shrope, the caliph, introduces members of Swami Williams' court. Entertainment will include folk songs by Dr. George Herrington, a reading by Glen Barrows, vocal solo by Bessie Anne Lindner, whip tricks by Dr. Baxter A. Geeting, a piano solo by Gordon Munford, a hula dance by Julia Akana, and various dance selections by Cecelia and Frances Fava.

Then the queen candidates will be introduced. All arrangements have been handled by the BUZZ Club, official rally group at SSC.

The after-game dance Friday has been planned by Donna Reagan, women's vice president. Music will be presented by the Townsmen Quartet.

Barbara White is assistant chairman of the dance, assisted by Bob McMahon and Dick Warren.

Drs. and Mesdames Irving McKee, Hubert O. Jenkins, George W. Creel, Edward C. Britton, and Mr. and Mrs. Clarence Barry are sponsors.

The casaba queen will be crowned at 11 P. M.

If you should be driving out on the Davis Highway, you will notice that the old "Star-Lite Gardens" open air dance pavilion (and before that the ill-fated Ice Palace) is being rebuilt, with an entirely new bandstand and fence enclosure. Having no information on who is putting their money into this venture or what the policy is going to be, we can only assume that it is going to be an open air dance hall, but who knows—perhaps it will turn out to be a skating rink! The public should have no trouble finding the place provided they hang a sign on all the house trailers that are parked in front of the entrance.

Candidates Are Announced For Junior Prom Royalty

The low and high junior class councils this week announced the candidates aspiring for royalty titles and the honor to reign over McClatchy's annual Junior Prom, to be held April 10 at Governor's Hall. The candidates from the low juniors are Nina Adams and Kay Carmichael for queen Jay Newmarch and Johnny Querasma for king. High junior choices for queen are Karen Neilsen and Marilyn Dettling and for king, John Brideson and Dave Dozier.

The big event of the evening will be the crowning of the king and queen to rule over the festivities of "Mardi Gras," this year's dance theme. Mr. Pepper will officiate by placing the regal crowns on the victor's heads. Each person attending the prom has the opportunity to cast a ballot expressing his preference for king and queen--it's up to us!

Bids are on sale now by junior class council members for the big event for which Bill Rase's orchestra will play from 9 to 12. The prom is open to all McClatchy students, and a great deal of work has gone into making this semi-formal dance a big success.

The lively and gay atmosphere produced by the mere mention of "Mardi Gras" should be an indication of the fun all who attend will enjoy. See you there the 10th!

AMONG COMMITTEE members for the McClatchy High School junior prom tonight are (left to right) Judy Landis, Mike Toomey, and Claire Tashjian.

One of the featured events of the FFA Barn Dance which will be held next Friday night in the Boys' Gym will be the sale of recordings of Bill Rase's two latest hits, "If I Could Sing Like Bing," and "I Want to Fall in Love." These platters will be available to all who wish them and will be personally autographed by Bill. The Bill Rase Band, nine instrumentalists and their leader, will be playing for the dance, and also appearing on the show will be Margie Ray, song stylist, who appears on Bill's radio show on KCRA.

Along with this, the FFA boys have planned a special surprise for all those who attend. The gym will have its appearance changed quite a bit as Western decorations liven up the place. Hay and straw will be arranged for seating. The band setting will be midway of the floor to one side and the refreshment stand will be placed in a far corner.

Even Bill and his band will be dressed for the occasion in levis, colorful shirts, and straw hats. And now hear this! For all those of you who think you will get tired dancing, a mule will be available for a "resting" ride. This animal belongs to Dale Long and he is bringing it for anyone who would care to go for a ride. Price of the dance is $1.25 per couple and 75 cents stag.

BILL RASE

Bill Rase's Band For Farmers Stomp

Bill Rase's dance band will play for the FFA barn dance which will be April 24 in the boy's gym. As an extra, the local chapter will have Margaret Ray as vocalist to sing top hits at the request of the students. The dance will be from 9 to 12. The admission will be $1.25 per couple and 75 cents stag.

The committee in charge of choosing the band were Sonny White, Allan Roberts, and Jeff McGrew.

Bill Rase Is Feature Of FFA Barn Dance

Margie Ray, singing your requests and the music of Bill Rase's dance band will feature the big annual F.F.A. barn dance. Dale Long, president of the local chapter, stated that the cost will be $1.25 per couple and 75 cents stag (the regular price) even though there will be the added feature of Margie Ray.

The straw-decorated dance will be held in the boys' gym, on Saturday, April 24 from 9 to 12 p. m. Cold drinks will be served in the far corner for a small fee. The dress for the dance will be levis, with matching shirts and straw hats.

The Future Farmers expect it to be the biggest dance of the year. Dale said this week, "Here's your chance to pay back the gals for the Tola Dance and also to remember that there is only one more dance after the F.F.A. barn dance."

BARBARA CARMICHAEL

Crippled Girl Will Be Queen Of Bunny Hop

Seventeen-year-old Barbara Lynn Carmichael will see a dream come true tomorrow evening.

Eight years ago Barbara was crippled in an automobile accident; since then she has had a slow fight back to a semblance of normal living.

There still are things that she has not been able to do, things that her friends take for granted. One of these was to dance; Barbara has been dreaming of the day she could go to a dance . . . with a beau.

The Sacramento County Society for Crippled Children has helped Barbara through the years, as it has hundreds of other handicappel children of our county.

Now they are making it possible for another of Barbara's dreams to come true — they have invited her to be Queen of the Bunny Hop Dance to be held in Governors Hall tomorrow evening.

A teen-aged Prince Charming will call for Barbara and, together, in their modern-day pumpkin, they will go to the dance.

Barbara, starry-eyed, said: "It's . . . wonderful. The Society has helped me to walk again . . . and now . . ." and her eyes tell the story that is repeated over and over again as each child sees his hopes become realities.

Bill Rase and his orchestra will play at the dance.

Leslie Jaspar Will Get Star From Guard

The State National Guard will present a Bronze Star to Sgt. Leslie R. Jaspar, 59th Guard Band, today at 8 P. M. in the Guard Armory 12th and W Streets for heroic achievement while squad leader of a rifle company in Korea.

The citation reads:

"Sgt. Jaspar, 1st Cavalry Division, for heroism in action against the enemy on 26 April, 1951 near Naechon, Korea. As Company E withdrew from its position to a better defensive area, it was subjected to intense automatic weapon fire. Sergeant Jaspar, seeing two comrades seriously wounded, dashed through the hail of enemy bullets and carried one of the wounded men back to friendly lines.

"Returning to the area, he again braved the intense enemy fire to evacuate the remaining soldier. Sgt. Jaspar's heroism reflects great credit on himself and the military service."

BARBARA CARMICHAEL

Crippled Girl Will Be Queen Of Bunny Hop

Seventeen-year-old Barbara Lynn Carmichael will see a dream come true tomorrow evening.

Eight years ago Barbara was crippled in an automobile accident; since then she has had a slow fight back to a semblance of normal living.

There still are things that she has not been able to do, things that her friends take for granted. One of these was to dance; Barbara has been dreaming of the day she could go to a dance . . . with a beau.

The Sacramento County Society for Crippled Children has helped Barbara through the years, as it has hundreds of other handicappel children of our county.

Now they are making it possible for another of Barbara's dreams to come true — they have invited her to be Queen of the Bunny Hop Dance to be held in Governors Hall tomorrow evening.

A teen-aged Prince Charming will call for Barbara and, together, in their modern-day pumpkin, they will go to the dance.

Barbara, starry-eyed, said: "It's . . . wonderful. The Society has helped me to walk again . . . and now . . ." and her eyes tell the story that is repeated over and over again as each child sees his hopes become realities.

Dear Bill,

I just wanted to tell you how much the members of my house and of the Picnic Day Staff appreciate the excellent job you did on our dance. The publicity you gave us was invaluable.

as far as the music was concerned I have never heard so many favorable comments about a band since I have been here. As I told you before, many said that it was the best band we have ever had in the history of Picnic Day. You really made a name for yourself as far as the aggie Students are concerned last Sat. Night.

If I can ever do anything for you concerning the campus or otherwise, please feel free to let me know.

Sincerely,

Tom Sawyer

CEAS Announces Selection Of Famed Local Orchestra For Annual Party

Bill Rase Engaged

There's going to be real music on the night of June 26. Music to make your toes tingle and your spine shiver. That's the date of the Civilian Employes Aid Society party at Governor's Hall and Pacemaker has just been informed that the committee has closed a deal with the Bill Rase orchestra to fill the air with dulcet and intriguing tunes.

This 12-piece orchestra, in case you're not a well informed Sacramento hep-cat, has been acquiring a very considerable following of late. It has played for more than 575 dances in the five years since it was organized. Its programs are widely varied to suit all tastes. The Hit Parade favorites, the old stand-bys, new musical hits, waltzes, Bunny Hops and so forth are always featured during the night, as well as Dixieland Jazz.

Bill Rase, himself, between orchestra engagements, is a very popular disc jockey, well known to McClellan employes, who have

listened to him over KCRA for nearly three years. He has been quite successful with his vocal work, having recorded "I Want To Fall In Love," and "If I Could Sing Like Bing." These records bear the Brandt label, belonging to Charles Brandt, a McClellan employe.

Base Employes

Included in the Rase orchestra are two McClellanites. Harrel Wiley, a senior clerk in Maintenance, plays piano and does the arranging for the orchestra. Walter "Buddy" Starries of Instrument Repair, plays the string bass. By a strange coincidence both these musicians in Bill Rase's orchestra came to work at McClellan on the same day, 13 years ago.

The orchestra really hit a high spot last summer with a two-week engagement at Bal Bijou Resort on Lake Tahoe. It was the only local orchestra engaged by that resort but nevertheless had the biggest crowds of the summer. The committee for the CEAS party has done very well by all of us who expect to be at Governor's Hall June 26 in securing the Bill Rase music for our entertainment.

The Object

You must know, by this time, why the Civilian Employes Aid Society was organized and what it does, in a quiet unobtrusive way, to help your fellow employes who run into hard luck. You probably also know that it has undertaken this year to help Welfare put the Base Bowling Alley into operation and fulfill a long felt recreational need for hundreds of McClellan workers.

This party is an annual one, to raise funds for CEAS purposes. Those Red Tickets you've been hearing about will raise those funds. They'll also provide many a thrill and, to those of us who are lucky, some prizes designed to make the winners gulp in grateful astonishment. A brand new Chevrolet, a breathtaking Mink Cape, a 21-inch TV set—and others.

Plan to be there! Grab plenty of those Red Tickets each payday! And look forward to doing a mean rhumba to the beguiling strains of Bill Rase's orchestra!

they want. The Government is rich. So they steal it. If they get away

They'll Play For The Big Night

This picture shows only eight of the musicians in Bill Rase's famous band but all twelve of them will be scraping and tooting away, June 26, at the Benefit Dance thrown by the Civilian Employes Aid Society. That's Bill, standing at the left. You've often heard him on KCRA where he is quite popular as a disk jockey. Bill is also a great booster for McClellan. You'll enjoy his music and the party is something you shouldn't miss.

That Night of June 26 Is Approaching

Comes now the Big Night!

It's a week from tomorrow night —when the Civilian Employes Aid Society presents its third annual Benefit Dance in Governor's Hall at the State Fair grounds. It is going to be fun, friends and neighbors, and you'll be doing yourself a distinct disservice if you fail to get there.

Bill Rase and his orchestra will woo you with their inimitable strains and you can dance until your feet scream for mercy. Then there will be that outdoor patio that was such a hit last year, where

Confusion will be the keynote of the come-as-you-are dance to be given by Sigma Iota Chi sorority Friday night in Turn Verein Hall. "Pandemonium" will be theme of the annual event which will feature choosing of a devil to reign over the dance.

Candidates for King Devil are Bob Siote, sponsored by Omega Alpha Kappa fraternity; Bob Miller, Block "S" Society; and Paul Buehler, Kappa Alpha Pi fraternity.

Bill Rase and his orchestra will play for dancing from 9 P. M. to 1 A. M. Annette Morrison and Peggy Berg are co-chairmen.

Advertising and decorations for the dance are under direction of a committee headed by Bobbie De Martini and including Myrna Meng, Carol Paoli, and Georgia McJenkin.

Peggy Berg, Sharon Kaerth, and Annette Morrison are handling printing and sales of bids. King Devil contest will be arranged by Helen Alexander and Pat Traynham. They also will crown King Devil.

Carol Daley and Sherry Moseanko will be in charge of the door and Bev Tonnemaker and Annette Taylor, check room.

Aid Society Draws Throng Of 4,500 At Annual Party

Even an unusually chilly night failed to hamper the spirit the 4,500 persons attending the annual fund-raising party of the Civilian Employes Aid Society at Governors Hall Saturday night. A few hardy souls stuck it out around the tables in the patio but the majority of the vast throng spent most of the evening inside the hall where they had a wonderful time.

Bill Rase and his orchestra really outdid themselves with their variety of smooth, tuneful, dance music and the huge floor was well-crowded during the entire evening. Entertainment, between dances,

Sale of Rase's Autographed Records To be Featured at F.F.A. Dance

One of the featured events of the FFA Barn Dance which will be held next Friday night in the Boys' Gym will be the sale of recordings of Bill Rase's two latest hits, "If I Could Sing Like Bing," and "I Want to Fall in Love."

These platters will be available to all who wish them and will be personally autographed by Bill.

The Bill Rase Band, nine instrumentalists and their leader, will be playing for the dance, and also appearing on the show will be Margie Ray, song stylist, who appears on Bill's radio show on KCRA.

Along with this, the FFA boys have planned a special surprise for all those who attend. The gym will have its appearance changed quite a bit as Western decorations liven up the place. Hay and straw will be arranged for seating. The band setting will be midway of the floor to one side and the refreshment stand will be placed in a far corner.

Even Bill and his band will be dressed for the occasion in levis, colorful shirts, and straw hats.

And now hear this! For all those of you who think you will get tired dancing, a mule will be available for a "resting" ride. This animal belongs to Dale Long and he is bringing it for anyone who would care to go for a ride.

Price of the dance is $1.25 per couple and 75 cents stag.

The vocal music department plans to be very busy during April and May, according to Mrs. Doris Rees.

She announced last week that the chorus and a picked group from the Girls Glee will travel to Marysville for a Music Festival on April 25.

The vocal music department will put on a Spring Concert May 13. The groups will sing selections from the musical "Brigadoon", accompanied by part of the band. This concert will be open to the public free of charge.

The department is also planning to present another Popular Songs assembly in May. The date for this has not as yet been set.

The A Cappella Choir and Girls Choir will present the musical background at the Baccalaurate ceremony.

SACRAMENTO: *In Review*

By MURRAY LEE

Where are you, now that I need you? Paraphrasing the words of the great hit song of a couple of years back, our local bistro boys are really desirous of knowing where you all are!! Take the case of **Al Oxman** of the **Clayton Club,** who has presented more stars of the first magnitude, financially and artistically, than any other operator in Sacramento for the past five years. A list of **Al's** attractions would include, **Louis** (Satchmo) **Armstrong, Cab Callaway, Louis Jordan,** in the band dep't.; **Nino Milo, Joaquin Garay,** etc., in the comedy field; **Ben Light,** the fabulous "88er"; **The Trenier Twins,** the atomic song-busters, **Hadda Brooks,** etc., in the chanteuse division. Last two weeks **Oxie** offered to his **"Paytrons"?** the one and only **Dinah Washington,** and from the turnout after the first couple of days, you'd think that it was **Martha** who was appearing at the **Clayton Club.** For years now it has been a mystery to this corner why those who seek the best in entertainment, do not take advantage, when the best possible performers can be seen nitely at our various salons of song and dance. This brings your Reviewer right back to his last column, wherein we wondered out loud in bold type, why the two newspapers in town, have never offered a column pertaining to the entertainment field, which would include the **Clayton Club,** the **Bar of Music,** the **Capitol Inn,** the **El Rancho,** the **Mel-O-Dee Club,** the **Top of the Town,** the **MoMo Club,** etc., etc. We wonder why fellas like **Oxman** and **Jackie King** to mention a couple, continue to spend small fortunes, seeking to give the best in the **"Neon-Tube Circuit"** to the "p... trons" who frequent these ... Certainly if the local pre... help publicize the ap... some of the above m... stars, the club ... would have an ... off the hook for ... mendous salaries ... to these stars. 'Bout he and she and maybe thee: Bill Rase, the very congenial **KCRA** platter spinner, may have hit something big with his recording of **"Sing Like Bing."** Understand **Larry Crosby** is interested in having some re-recordings made of this platter. **Jennie Khan** the cocktail cutie supreme, who blended so well with the background at the **Clayton Club** for so many years, is now back in biz after a long absence, at the **Bar of Music.** I knew that something was lacking at this spot for years, and now that **Jennie** has appeared all is well. Prevailing money matters, caused **Russ Arno's** departure from the **Clayton.** Russ cannot help being a big star in the very near future. Films in Review Popular

Film awards are okay—they don't make their winners slow down and they don't cause motion picture costs to rise.

This was the opinion of one of the leaders of the film industry, Dore Schary, head man of MGM Studios in the cinema capital of the world.

In an article published in "Films in Review," the executive upheld the continuance of the awards system, in face of all previous adverse criticism brought on by the multiplicity of award-givers.

"Films in Review", a non-profit, non-commercial publication is the most respected magazine in the flicker industry. It is published by the National Board of Review, often called "the Supreme Court of Motion Picture Criticism" because it is a cross-section of the public.

Writes Schary, in the April issue: "There are the Ten Best lists of the National Board of Review—all the top newspapers. There are the choices of Red Book, Look, Holiday, Photoplay, the Hollywood Foreign Correspondents, Screen Writers Guild, and Screen Directors Guild.

"It is impossible to deny to an artist the pleasure of receiving a reward from his peers, or his audience. Furthermore, recognition gives a creator self-confidence, and, instead of slowing him down, sharpens his skill. By givnig him a measure of artistic security, it ...es him a better-equipped and more effective artist."

Schary disclosed that one of the weaknesses of c... was that "they are never satisfied.

The only sound you get around there now is the faint snap of three crepe streamers, left hanging on the rafters by some long-gone cleanup crew.

How did they close this place out? you can ask. Did they play "I'll See You in My Dreams" and did the lights go on exactly at 1 a.m. and blind all the couples still wrapped up-tight in the middle of the floor?

"What time do you have to be home?"

"1:30."

"For sure?"

"Yeah."

"Heck."

THE CLOCK'S GONE, anyway — the big one at the back of the room that went around quicker than any other timepiece in the world. The light fixtures are smashed and there is no more mirrored ball flashing tiny dots over all the walls.

In the early days, we use to try to catch the spots.

Later on, we just let them hypnotize us.

"Will you still go to dances after I leave for college?"

"Course not. How about you?"

"What do you think?"

("The next song is dedicated to Sue and Jim — going steady three months tonight.")

There'll be no more bopping on the buckled hardwood floor. There are empty beer cans lying around, but none are Country Club. No Christian Brothers block sweaters hang in the checkroom, no suede jackets. The mirror's gone from the ladies restroom.

"You like my bangs this way, kid?"

"Yeah, but why don't you peroxide them?"

"My mother'd flip."

THERE ARE CIGARETTE butts and broken bulbs strewn around the floor, leaves and torn paper, but not a trace of the 5,000 glittered stars. No trace. We hung them up for "Stardust," the semiannual, girl-ask-boy, soph hop . . . $1.50 a couple, 9-1, Bill Rase and his Stardusters, dressy sport. And where are the posters from "Snuffy Smith" or "Dogpatch" or "Jailbreak." (Names of those dances would be names of the bands today.)

Any middle-aged sentimentalist can wander free throught the weed-lined door of Governor's Hall now. No policeman will stamp your hand with fluorescent ink. You can crunch about on the broken glass and look for something — anything — left over from the time when life was so marvelously simple you figured it always would be.

Jammed down a cobwebbed air vent the other day was part of a newspaper — yellowed with age, brittle and about to crumble. A remnant of the past at last. 1954 . . . ? 1955 . . . ?

"President Nixon Signs Bill To Let Teens Vote" bellowed the headline. June 23, 1970 was the date.

"Vote?" we would have said in those sweet, uninvolved days. "Who wants to vote? We've enough to do getting these stars up.

"Hey, somebody, pass some of that tape."

Dear Bill;

I would like to take this opportunity to express the appreciation of the Sacramento Junior Chamber of Commerce for the usual excellent job which you did on our Olympic Fund Telethon. We felt that the period during which you made your appearance on our show was undoubtedly one of the high spots in the Telethon, and we are sincerely grateful for your tremendous efforts.

As you are no doubt aware, this was one of the largest projects we have attempted to date, and we feel by far the most successful. I could not say this without knowing and acknowledging the fine help we received from so many people such as yourself.

Dear Bill;

I would like to take this opportunity to express the appreciation of the Sacramento Junior Chamber of Commerce for the usual excellent job which you did on our Olympic Fund Telethon. We felt that the period during which you made your appearance on our show was undoubtedly one of the high spots in the Telethon, and we are sincerely grateful for your tremendous efforts.

As you are no doubt aware, this was one of the largest projects we have attempted to date, and we feel by far the most successful. I could not say this without knowing and acknowledging the fine help we received from so many people such as yourself.

Sincerely,

Dear Bill;

I would like to take this opportunity to express the appreciation of the Sacramento Junior Chamber of Commerce for the usual excellent job which you did on our Olympic Fund Telethon. We felt that the period during which you made your appearance on our show was undoubtedly one of the high spots in the Telethon, and we are sincerely grateful for your tremendous efforts.

As you are no doubt aware, this was one of the largest projects we have attempted to date, and we feel by far the most successful. I could not say this without knowing and acknowledging the fine help we received from so many people such as yourself.

Sincerely,

William L. Wagner

Dear Bill;

I would like to take this opportunity to express the appreciation of the Sacramento Junior Chamber of Commerce for the usual excellent job which you did on our Olympic Fund Telethon. We felt that the period during which you made your appearance on our show was undoubtedly one of the high spots in the Telethon, and we are sincerely grateful for your tremendous efforts.

As you are no doubt aware, this was one of the largest projects we have attempted to date, and we feel by far the most successful. I could not say this without knowing and acknowledging the fine help we received from so many people such as yourself.

Sincerely,

Sacramento, Calif.

Dear Bill;

I would like to take this opportunity to express the appreciation of the Sacramento Junior Chamber of Commerce for the usual excellent job which you did on our Olympic Fund Telethon. We felt that the period during which you made your appearance on our show was undoubtedly one of the high spots in the Telethon, and we are sincerely grateful for your tremendous efforts.

As you are no doubt aware, this was one of the largest projects we have attempted to date, and we feel by far the most successful. I could not say this without knowing and acknowledging the fine help we received from so many people such as yourself.

Sincerely,

William L. Wagner

Have You Heard?

By MARGARET KREISS

Bill Rase, the KCRA disc jockey who's been regaling radio listeners with his "best in recorded popular music" mornings and afternoons for the last four years, waltzed into the office last week (or should we say "rocked and rolled") to give us the word on new sounds in music.

Mr. Rase, who could be classed as the Eddie Arcaro of the plastic platter, has been in the popular music field since he was 18 years old, loves his work, and has the highest Hooper rating of any local radio show. One of the reasons for this is that he's been on at the same hours, 9:45 to 10:30 a.m., and from 3:45 to 5:30 p.m. five days a week for the last 208 weeks, which makes him a habit with an awful lot of people — and a good, relaxing habit, too.

In addition to his radio work, he also has a dance band which is in demand up and down the valley and as far north as Bend, Oregon. He's had the band for the last eight years, and before that, sang with Eddie Halter's orchestra. Hence, at 29 years of age, he's a veteran.

Bill beams his late afternoon show at three audiences: the tired businessman who's on his way home from work; the housewife who can start preparing dinner and can go about her work without having to sit down and look at the radio console (plug); and the teenager who's home from school and doing his homework. Equally popular is the Saturday show from 12:30 to 3:30.

Mr. and Mrs. Rase and their daughter, Susie, moved out to this area last January, and make their home at 3236 Eastwood Road in the Arcade district. The head of the family is an old Sacramentan, and comes by the entertainment business honestly. His father was an actor at the old Plaza and State theaters, and his mother and aunt, billed as the Romig Twins, were standard attractions in Roy "Hiram" Clare's repertory company. Bill's sister, Millie Rase, sang with Frankie Gordon's orchestra here for several years.

On trends in the business, Bill Rase has the following to point out. The booming of the record business has climbed right along with the vogue for disc jockeys. Recording fidelity, three-speed records, the quality of popular music are some of the reasons for the sensational rise of records on the entertainment chart. Youngsters are the ones who buy the records: youngsters from 10 to 18. Take our old friend the Ballad of Davy Crockett—it's sold five million records, the biggest hit of all time and currently still the biggest seller.

Eight years ago, the dance band was the most popular thing on radio, with a slight vocal on the side. In the last few years, the vocalists have taken over, with the orchestras merely backing them up. Perry Como, Eddie Fisher, the Maguire Sisters, and dozens of others are recorded and purchased because people want to hear the words. The vocalists tell a romantic story that the teenagers would never get around to spouting off themselves. It's like Jackie Gleason said a few weeks ago when his orchestra played his "Music for Lovers Only." "I heard this played in the background for one of Clark Gable's big scenes. I figured if Clark Gable needed it, that some guy in Brooklyn would need it a lot worse."

When Bill first started his recording programs, the trend was for slow, romantic ballads. Then came the new sounds and voices like those of Kay Starr, Theresa Brewer, and stylist Nat King Cole. After that, the heavy voices took over—Mario Lanza and Al Martino.

Dance bands entered the picture on the upswing, too, the biggest of them patterned after the oldtimers. Billy May brought out his "gliss" and swoop music in the style of Jimmy Lunceford; Ralph Flanagan and Jerry Gray patterned their styles after Glenn Miller; the top dance band of today, Ray Anthony, followed the pattern set by Harry James; and Les Brown built up a terrific following during the war, and stays just as popular today. The will be erecttd between the o Dorsey Brothers have climbed back up as a result of their TV shows.

Recording favorites now vie between the romantic vocal and jazz, rhythm and blues. The top three are Billy Haley's "Rock Around the Clock"; the ballad "Unchained Melody"; and "Cherry Pink and Apple Blossom White" — the number that Perez Prado, the Latin Stan Kenton, hit the million mark with.

Bill Rase has done some recordings of his own. He did Victor David's "If I Could Sing Like Bing" for Brandt records here, and has recorded on the Mars and Rainbow Record labels in New York. His latest is Klick of Hollywood "How Could I Know."

The Eddie Cantor Comedy Theater TV show this week gives Rase a feature spot in an imitation of Bing Crosby singing his theme song.

And TV is just around the corner for KCRA and Bill Rase. This fall Ewing Kelly's station will tie up with NBC, covering Channel 3 on VHF.

Good luck, and Happy Days!

Schmaltz vs. Jazz, Rythm, & Blues

Bill Rase, 3236 Eastwood road, popular KCRA disc jockey, spins a few platters for Mrs. Rase and daughter Susan, who regards "Rock Around the Clock" with great distaste. She has a preference for "Farmer in The Dell." For the story of Bill Rase' years in radio and for trends in popular music, see "Have You Heard?"

BILL RASE, who emcees the David Rose State Fair Orchestra program, lounges comfortably between numbers on the bandstand. It is while "resting" though that Rase does his busiest work—signing autographs.

Yesterday a small boy approached Rase for his autograph and found to his consternation that he had no paper. A quick conversation ensued between Rase and the boy, and the crew-cut disc jockey then was seen signing his autograph on back of the boy's white leather jacket.

When the boy returned to his seat to show his mother the autograph, he said, "Look mother, Bill Rase's autograph!"

"Yes, dear," his mother replied, "but be sure not to give away your jacket when you go to trade it with your friends."

GOLD DUST TRAIL—Members of Sacramento Chapter, Greek Orthodox Youth of America, symbolize the movement to Sacramento for the conference they will host this weekend. Shown, from left, are Dena Kuchulis, George Liviakis, Stratis Zampathis, Nick Vavuris, Sofia Fetros and the conference co-chairmen, Tom Loris and Manthea Marmas.

SUSAN SIMS puts a final touch on the Western outfit Bill Watson will wear at the Future Farmers of America Barn dance in Elk Grove High School gymnasium today. Contestants for Farmers' Queen are Darlene Jones, Diane Vogt, Delois Flatt, and JoAnn Fizer. The winner will be named during the dance and crowned with a ten-gallon hat.

SACRAMENTO: *In Review*

By MURRAY LEE

Where are you, now that I need you? Paraphrasing the words of the great hit song of a couple of years back, our local bistro boys are really desirous of knowing where you all are!! Take the case of **Al Oxman** of the **Clayton Club,** who has presented more stars of the first magnitude, financially and artistically, than any other operator in Sacramento for the past five years. A list of **Al's** attractions would include, **Louis** (Satchmo) **Armstrong, Cab Callaway, Louis Jordan,** in the band dep't.; **Nino Milo, Joaquin Garay,** etc., in the comedy field; **Ben Light,** the fabulous "88er"; **Rain, Income Taxes, Licenses, Shortage of Spending Money, etc., etc.!!!**

'Bout he and she and maybe thee: Bill Rase, the very congenial **KCRA** platter spinner, may have hit something big with his recording of **"Sing Like Bing."** Understand **Larry Crosby** is interested in having some re-recordings made of this platter. **Jennie Khan** the cocktail cutie supreme, who blended so well with the background at the **Clayton Club** for so many years, is now back in biz after a long absence, at the **Bar of Music.** I knew that something was lacking at this spot for

Bill Rase, (KCRA-Sacramento, Calif.), Hollywooding with his Missus, and his new Rainbow release, "If I Could Sing Like Bing". . . . MGM's **Sol Handwerger's** wheels going around, even in the 90 degree weather. Sol's latest promotion is a deejay contest, with **Jo Ann Tolley's** "Summer Sweetheart" the hub. Jock's are to ask listeners to write in 100 words or less the story of their "summer sweetheart romance". Winning letter is awarded an all paid one week vacation at Atlantic City's Ritz Carlton Hotel for two. Prize includes transportation via Trans World Airlines Constellation. Deejay who turns in the winning letter is awarded a $100. government bond. . . . Next week's issue of **The Cash Box** will be the 11th Anniversary-Disk Jockey issue and it will be a humdinger! In compiling the results of the questionnaire we were broken up on many occasions when reading the answers to "What's your pet gripe?" We'll reprint many of the choice answers—without names of course. Don't miss it. We'll also have your choices as to the best male and female vocalists; bands; vocal and instrumental groups; and articles by many of the leading jocks in the country. This will be your book and something you'll want in your studio and home for the entire year.

BILL RASE, who emcees the David Rose State Fair Orchestra program, lounges comfortably between numbers on the bandstand. It is while "resting" though that Rase does his busiest work—signing autographs.

Yesterday a small boy approached Rase for his autograph and found to his consternation that he had no paper. A quick conversation ensued between Rase and the boy, and the crew-cut disc jockey then was seen signing his autograph on back of the boy's white leather jacket.

When the boy returned to his seat to show his mother the autograph, he said, "Look mother, Bill Rase's autograph!"

"Yes, dear," his mother replied, "but be sure not to give away your jacket when you go to trade it with your friends."

Weaverville Hosts Gala 2nd Annual Gold Rush Days

Reviving the frindly spirit of the early pioneers of the Gold Rush Days, Weaverville, county seat of Trinity County, turns back the clock, July 1-2-3-4 for the second annual "Trinity Gold Rush Days," northern California's most exciting and varied 4-day celebration.

A three-day rodeo, championship calibre, will highlight the celebration with shows scheduled at the Lowden Park stadium, Weaverville, for Saturday night, Sunday night and Monday afternoon, July 4. Dick Hemsted, Redding, with his remuda of savage "broncs" and wild Brahma bulls, will produce the rodeo, guaranteed to thrill you. A horse show will be held Sunday afternoon, and cutting horse events Monday.

Dances "under the pines" at the Lowden Park pavillion, featuring the music of Bill Rase and his orchestra, well-known Sacramento band, will be held Saturday and Sunday evenings, July 2 and 3. The Weaverville Junior Chamber of Commerce is in charge of the dances. Tables are provided near the pavillion for parties.

NCO CLUB DOINS'

VOL. I—No. 2 TRAVIS AFB NCO MESS 1 AUGUST 1955

PLANS SET FOR GENERAL MEETING

M-Day is upcoming on the 16th of August for all members of the NCO Club. The 16th has been designated as the date for the annual general meeting to be conducted at 1600 at the base gym, according to information released this week by the Board of Governors.

The annual meeting is being publicized far enough in advance in order that each member of the club may be present, not only to participate in official business to be considered by the general membership, but to meet newly seated members to the Board of Governors.

Two important pieces of business are to be taken up when two changes to the club's constitution will be either ratified or vetoed. The first change to the club articles pertains to the election of a chairman of the Board of Governors to be elected by said board from among its members. At present the constitution states that the senior member (rank, length of service and date of rank) will preside as chairman of the board. The proposed change will place the naming of the board chairman entirely in the hands of the Board of Governors.

Change on Vacancies

Second change to be considered is that portion of the constitution pertaining to replacement of members to the Board of Governors when vacancies have occured through transfer, discharge, retirement, etc. At present filling of such elective vacancies is made by the commander of the respective unit where the vacancy occurs. Under the proposed change the constitution would direct that special elections will be conducted by the respective organization to seat a representative on the Board of Governors.

At present, according to M/Sgt. Jim Wiess, assistant secretary-treasurer, an agenda is being planned in order that the general meeting might be conducted in the most expeditious manner. The sergeant stated that several organizations have indicated they will hold individual meetings prior to the 16th not only to elect new members to the Board of Governors but to name a spokesman or spokesmen to voice the opinion of their unit in any business that might come up on the floor.

Wiess stated that if any units have questions concerning the upcoming meeting, club officials are on hand at the club to answer any and all questions and assist the respective units in any way possible. Wiess further stated that the agenda for the meeting will be posted prior to the 16th so that each organization will be aware of how the meeting will be conducted.

Club officials pointed out that club facilities on the 16th will be closed from 1530 until the general meeting ends. Free food, buffet style, will be served from 1800 to 1930 with a floor show to follow.

KIDS DAY PLANS

Club officials are in the process of putting on a monthly Kids Day show for children of NCO club members. Plans for the small fry get-together call for plenty of refreshments, cartoons, entertainers of the professional type and a multitude of things to keep busy fingers out of parent's way. Tentative date for the first show has been set for August 14.

HELP THE CLUB

Suggestion boxes are being placed at convenient spots in the club for suggestions from club patrons in order that facilities may be improved. If you have an idea, suggestion, etc., pass the word on to club officials via the suggestion box.

WIVES PLAN FOR AUGUST

The calendar of events for August has been set for the Non-Commissioned Officer's Wives Club, according to Mrs. Ann Yesger, president, who announced that the month's activities would get underway on August 1st with an executive board meeting to be held at 1330.

On the 4th of August a business meeting will be held in conjunction with luncheon in the club's cocktail lounge at 1330. The ever-popular Newcomer's Coffee will be held at 1000 in the cocktail lounge on August 11th with the wives holding a social on the 18th in the cocktail lounge.

The organization president, Mrs. Yesger, may be contacted by calling ID 7-2893.

Club members are urged to pass along news items concerning fellow club members so they may be publicized in the CLUB news each month. Communications may be directed to M/Sgt. Jack W. Flook, MATS ISO on the base or by phoning Ext. 525 or 528 or drop them off at the Club Secretary's office. Pass the word and watch the CLUB NEWS grow to carry more news about you and YOUR club activities.

$ $ $ FOR FUN

On the financial side of club doings, it may be noted that a total of $3355 was expended for entertainment during the month of June with current plans calling for bigger and even better entertainment for coming months.

Don't forget the "carry-out" window on the east side of the NCO Club for you fellows that don't feel like dressing up in the uniform of the day. Of course for the late evening snack there is the ever-popular Pizza. Try some of it at BIG combo job. Everything but the chef goes in it.

BIG BUSINESS

Net profit realized from operations for the month of June totaled $3387 with total sales reaching the $37,457 mark. The fact that the club is big business is reflected in the fact that during the first six months of 1955 total sales figures reached $216,507. Club officials are pointing toward a $500,000 total sales this year which would place the Travis NCO Club among the very few doing a half million dollar a year business.

VACATIONER

Mrs. Pat Spain, she of the Boxer dogs and the pleasing smile, is off on an annual vacation from front office work. Pat is visiting her parents in Oklahoma.

NEW FACES ON BOARD

New faces on the Board of Governors are Master Sergeant Bill Crowe of the 5th A & E and Master Sergeant Robert Kemp of Fld. Maint. Sergeant Crowe fills the unexpired term of Master Sergeant Charles Middlebrooks and Sergeant Kemp has been named to fill out the term of Master Sergeant Woods who recently resigned.

REARWARD VIEW

Blurted one four striper to a five striper at the bar the other night, "Yeah, I used to call my wife 'the little woman' until I got a good gander at her in slacks."

ACADEMY ASSOC. PREXY

Master Sergeant Robert E. Kemp, 5th Field Maintenance, was elected president of the Travis NCO Academy Association at a luncheon meeting held July 20 at the NCO Club.

Other officers elected at the meeting were M/Sgt. Arthur Killan, vice president, Installations; M/Sgt. Albert A. Duguid, junior vice president, Hqs, 5th AD Gp; M/Sgt. Wayne C. Murphy, secretary, 5th A&E; and M/Sgt. Melvin L. Bryant, treasurer, Air Police.

Constitution for the Travis chapter of the academy association was ratified by a majority vote.

I'll bet anyone a dollar to a doughnut that his city's disc-jockey isn't as well-liked or as versatile as Sacramento's is. How would you like to meet this rare gem of a person here in a couple of pages? Well, here he is!

William Rase (better known as Bill) was born on October 25, 1926, in Long Beach, California. Luckily for us, his family moved to Sacramento when he was still a youngster. Bill is 5'8" tall and weighs 140 pounds. He has red hair and two eyes???(he says so right here in this questionaire). He's married and has two children. Bill was very popular during his school days, too. Here are some of his activities in high school and college: student body president in junior high school; class president of the low sophomore, high sophomore, low junior and high junior semesters and student body president, also, at Sacramento High School (California's second oldest high school); president of his fraternity at Sacramento Junior College; and student body president at Sacramento State College. You can see that his talents were recognized very early. He seems to have had a monopoly in the presidency department while he was going through school!

Now, to get to Bill's likes and his present activities. He lists his favorite sports as stream fishing and softball, while he considers singing, playing poker, and coin collecting as his hobbies. Ella Fitzgerald and Bing Crosby are rated tops on his vocalist list, and the Hi-Lo's and the Four Freshmen are equal favorites of his when it comes to vocal groups. He likes the Billy May orchestra, and the beautiful "I Can't Escape from You" is his all-time favorite song. He enjoys listening to all kinds of music, "especially good pop tunes." This busy person also has his own band, which plays for many, many different affairs. He says he usually books from 10 to 13 pieces. He has been a band leader for almost 10 years, while he's been a disc jockey for five years. Bill is an accomplished singer, too! In fact he started his musical career singing in high school and college affairs. He has cut a few records of which "If I Could Sing Like Bing" is his most successful venture so far; and he really DOES sing like Bing! There is also a Bill Rase Television Show! It is a half-hour weekly variety show in which he features this area's top talents along with a few special guests. Russell Arms has been a guest on his TV show. Bill says his best virtue is that it is hard to get him mad, and he admits his worst

pretty song, fine for Russ's style and has a catchy melody.

Before we end our journey for this time let us see what Billy L. Welch, of 299 Wilkinson Place, in Memphis, Tenn., has to tell us. He refuses to tell his age but we know that he was born on April 20. He is 5'9" tall and weighs 185 pounds. He has brown hair and blue eyes. He is the secretary to a Superintendent of a railway. He likes sleep, golf, football, baseball, dancing, parties, fried chicken, broccolli, and violets. He dislikes getting up early, tomatoes, and chewing gum. His hobbies are reading, writing and sports as a spectator. His favorites are William Holden, Tony Curtis, Carole Landis, Joan Crawford, Gale Storm, Jerry Lewis, Buddy Morrow and Russ. His favorite record by Russ is "Evangeline."

Now the carpet returns to Pennsylvania for a rest until next journal time. Here is hoping you all have happy days until then.

"KING OF DIXIELAND" SEES THE RETURN OF OLD-STYLE MUSIC !!!

By Brian Daly

"A type of music is coming back that people can understand and get some feeling from," Sharkey Bonano, the "King of Dixieland," told us in an interview recently in New Orleans.

Sharkey also said that Rock 'n' roll is very close to Dixieland because it has the same basic beat, but, he said, "I can get more variety from my six-piece band than any rock 'n' roll group. Some rock 'n' roll is good for its beat but most of it gives no feeling.

"Music is the greatest form of entertainment in the world and should be played to give some emotion to the person listening to it."

The "King" has been playing jazz in New Orleans for 35 years and performs with the enthusiasm of a newcomer. When asked how he did it six nights a week, he said, "We see that the people are enjoying themselves and it makes us enjoy ourselves."

Sharkey feels there is no such thing as "Dixieland Jazz." This, he said, is New Orleans jazz because that is where it was born and where it still lives.

Questioned during one of his breaks at the Dream Room on New Orleans' Bourbon Street, the musician stressed that Dixieland could be even more popular than rock 'n' roll "if it had as much publicity." But, he said, "it will die out and we will still be here."

Sharkey revealed one of his big desires: "I have been watching some of the world's strangest characters and incidents from French Quarter bandstands for a long time and I would love to write a book about them. Some of the people living here don't even know what they are."

Many residents of New Orleans told us that the best thing that could happen to the French Quarter is a good fire. They hold that the jazz is fine but most of the rest of the Quarter offers nothing more than temptation.

fault is not being able to save money (sounds like most of us, huh?). He is on radio 25 hours a week. You can really see that he is a workhorse!

Now, let's get his opinion of Russell Arms! "As a person, he is the nicest vocalist I have ever had to interview," he says. That is certainly a compliment, because he has talked to many celebrities including Eddie Fisher, Frankie Lane, and Nat King Cole. Bill also says, "I like Russ's fine, clean voice." He proves his words by playing Russ's records quite often. He ALWAYS plays my requests for Russ's numbers!

I was fortunate enough to get to meet Bill a couple of weeks before writing this article. He lived up to my expectations of him, and more! When I wrote and told him that I'd like to see him to take a few snaps for Russ's journal, he told me to come down anytime; that if I'd like, I could go down some Saturday and see his television show, too. So my sister and I went down to KCRA about 10 minutes before 5 o'clock when his show begins. We were sitting there only a couple of minutes when Bill looked around into the audience and said "Helen?" I guess I must have made some sort of gesture, because Bill handed me a record and said, "This just came in today, I thought you might like to have it." Imagine my surprise to see that I had Russ's record, "Where Can a Wanderer Go?" in my hand! Of course, I was very, very pleased to get it.

After his fine television program, I got to speak with Bill for a few minutes. I also took two pictures. I'm not much of a photographer, so the one picture that even took, didn't come out too well; I had taken Russ's first journal to the studio with me, so I was able to shoot the snap with Bill holding it. Bill really admired the journal! I wish I could have given it to him, but I had only that one copy; and no one in the world could take it from me. I'm hoping that I can get an extra copy from Tom for Bill.

While he and I were talking, Bill suddenly thought of something. He said that last summer he had a picture taken with Russ and Frankie Laine when they were both in Sacramento. He offered to send it to me if he could find it in his files; he thought it might be nice for the journal. Sure enough, three days later I found a big 8x10 photo in our mailbox. I do hope Tom was able to use it in the journal.

Well, here is the "dope" on our proud city's favorite disc jockey. Anyone still want to take bets with his disc jockey against Bill Rase?

(Thanks to Helen and Bill for these snapshots!)

The Sunshine Corner

By
Edith Conklin

Dear Club Members:

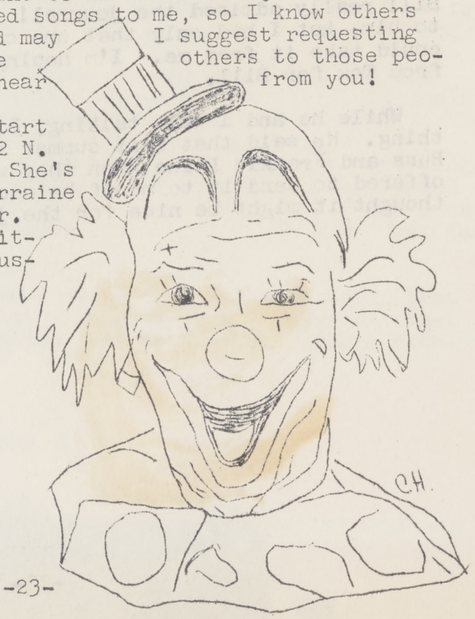
Tom, Irene, and I have gotten together via the mails and have decided it would be nice to organize a Sunshine Club.

Tom has asked me to be the Sunshine chairman and to give you an idea what the club will be like.

We think it would be nice to send out cards of cheer to invalids, particularly those who are confined to their beds or wheel chairs indefinitely or permanently.

We will try to have a list of shut-ins for each journal and maybe for the bulletins. If any member knows of anyone who is ill and would like to have cards sent to them we would appreciate it if you would send their names to me and then I'll forward them to Tom in time for the next issue of the journal.

Another idea that came to me was to dedicate a song to a shut-in or some lonely person near you at your local radio station. I know how much it meant to me when the Djs at WOHP in Bellefontaine, Ohio, dedicated songs to me, so I know others would appreciate it, too, and may I suggest requesting Russ's records along with the others to those people. That's all and let me hear from you!



Here are two names to start with: Mrs. Bessie Mason, 112 N. 6th Street, Vineland, N. J. She's the mother of club member Lorraine Lawless. And the other is Mr. Floyd Stout, St. Rita's Hospital, Lima, Ohio, who is seriously ill with sugar diabetis.

My address:

More Speculation On Luci's Baby

By KIRT MacBRIDE

Back from a short vacation and bit rusty, I'll have to open with a steal from the Tahoe City World: **Mel Elfin** of Newsweek's Washington bureau was asked, "Will Luci's baby be a boy or a girl?" He answered, "My honest opinion is that since the news was leaked prematurely, the President will cancel the baby. ". . . Local pianist **Hal Harris** is an expert on the latest college fad called "trivia." He stops his ivory tickling, relates some nonsensical item (like those here), then resumes playing . . . **Paul David,** major domo for Blumenfeld enterprises (Country Club Centre, Southgate Shopping Center, Esquire Theater, etc.) took time out from a hectic schedule to catch an 85-pound sturgeon in Rio Vista Bay over the weekend, his first. **Don Gordon** and **Lyle Deloe** helped.

An Impressive Pageant

Elk Grove Chamber of Commerce, with **Mrs. Dorothy Casey** producing and **Robert Hite** emceeing, put on an impressive Miss Elk Grove Pageant in John Kerr Junior High School Saturday night, won by **Roberta Sue White.** The stage set, "Swanee River," would have done credit to JayRob or Music Circus.

Ronnie Kemper doesn't have the facilities to audition talent, although he's been authorized to look for acts for the Smothers Brothers TV show, so he asks them to enter the Sacramento County Fair competition. Write County Fair, Special Events Dept., c-o Bill Rase, P. O. Box 5151, Sacramento, Calif. 95817. Kemper will watch talent in the fair's semi-finals May 24.

Next Monday, April 17, is not only income tax deadline day but a big moment in the life of Sacramentan **Richard Stark.** He's paired to play with **Arnold Palmer** at Las Vegas.

Changing Radio Format

That teaser advertising campaign, "Watch for FA" has to do with KCRA changing its radio format. In line with the times, girls will picket the Capitol Wednesday with "FA" signs.

Aerojet is justifiably proud of one of its top executives, **Frank Bowerman. Lady Bird Johnson** is seriously interested in his proposal to build ski slopes, mountains and parks with Washington, D.C.'s 1.4 million tons of rubbish annually . . . **Professor Deane Robertson** of Sacramento State College was recently offered a job on the foreign desk of the New York Times because he speaks and writes Russian fluently and specializes in Russian agriculture. Turned it down because he hates living in New York . . . I applaud today's trip of the Sacramento City-County Chamber of Commerce's highway committee, which will determine a priority list of the area highway needs. But I'd like to see them go up in a gaggle of heliocopters during the morning and evening rush hours and get a real look at the situation.

THE PRESENT from home most wanted for Christmas by the men in Viet Nam is an audio tape from their families. Bill Rase, who has a recording studio at 2904 Franklin Blvd., has a special deal: Five minutes of talk and a favorite record played at the end for $10 . . . BILL RASE'S STUDIO, will be making the recording of DELL BEUTLER'S song "It's Ridiculous" . . . this tune is a winner, in my opinion.

FIRST CHRISTMAS TREE is up in the offices of Joe and Cindy Lilliedahl, 1800 block on J . . . Adman Burt Wilson has bought an old jalopy from Dick Wareing and will race KROY disc jockeys Mark Ford and Barry Ellis in a "destruction derby" at Hughes Stadium tonight. Sounds like the freeway fighters on Interstate 80 . . . SACRAMENTO—Apr. '56—Saturdays at 5 on KCRA-TV (that's 3 in the Valley) Bill Rase's half hour of variety talent features top teens. It's popular because the relaxed Rase delivers what they want.

RASE ORCHESTRA

Bill Rase and His Orchestra have been putting on a very successful series of school age dances in the Sacramento Valley area. The band features arrangements by Bill himself of the tunes he knows the teens want to hear, and he knows what they want 'cause he gets their requests on his popular *KCRA* radio and TV shows. Since '48 Bill and the band have appeared at over 1,000 dances, featuring two entirely different types of music depending on the type of dance. For *come-as-you-are* types, the features are all *hit parade*, plus standards and up-tempo novelties. And for the formal gown-and-tails deal, only the *sweet* pops, long medleys and continually smooth dance music.

Photo lower left shows three teens that have appeared on TV. (L to R) Catherine Daugherty, Marie Firenza and Lorraine Howard. Photo lower right is Susanne Lewis and Philip Farley.

BILL RASE STARS TEENAGERS ON TV SHOW

Teen panel gives Bill Rase some ideas for KCRA show. Left to right: Bobbi Galindo (St. Francis Hi), Nancy Heath (Sacramento Hi), Bill Rase, Jackie Richenson (Sacramento Hi) and Beverly Bowdoin, DIG campus editor at Sacramento Hi.

SACRAMENTO—Apr. '56—Saturdays at 5 on KCRA-TV (that's 3 in the Valley) Bill Rase's half hour of variety talent features top teens. It's popular because the relaxed Rase delivers what they want.

RASE ORCHESTRA

Bill Rase and His Orchestra have been putting on a very successful series of school age dances in the Sacramento Valley area. The band features arrangements by Bill himself of the tunes he knows the teens want to hear, and he knows what they want 'cause he gets their requests on his popular *KCRA* radio and TV shows. Since '48 Bill and the band have appeared at over 1,000 dances, featuring two entirely different types of music depending on the type of dance. For *come-as-you-are* types, the features are all *hit parade*, plus standards and up-tempo novelties. And for the formal gown-and-tails deal, only the *sweet* pops, long medleys and continually smooth dance music.

Photo lower left shows three teens that have appeared on TV. (L to R) Catherine Daugherty, Marie Firenza and Lorraine Howard. Photo lower right is Susanne Lewis and Philip Farley.

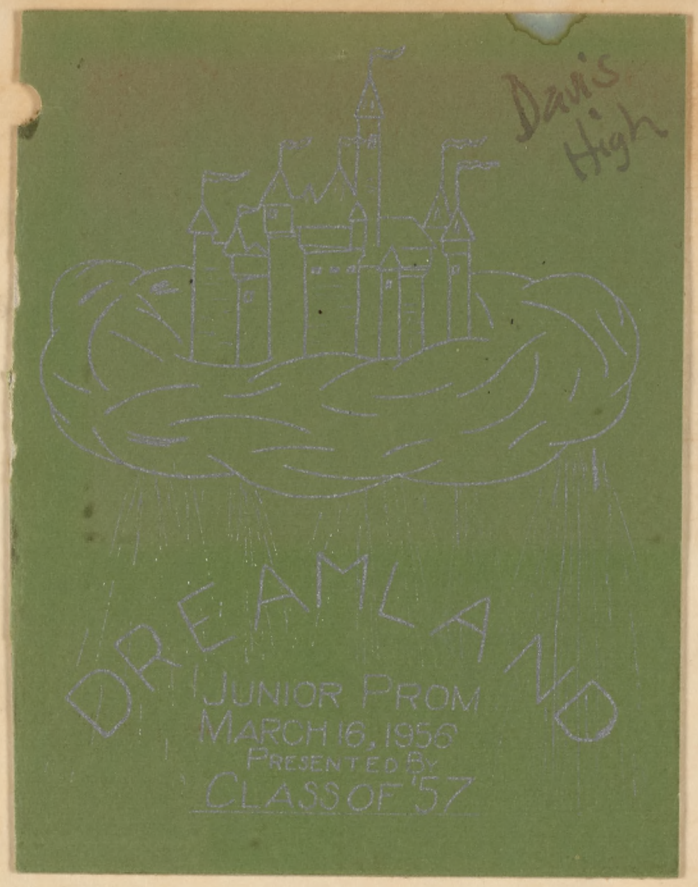
New Student

On April 4, James Mellow, a former student returned to Jackson High School. He has been attending Phoenix High one of the larger high schools in the country. James attended elementary schools in Sutter Creek and Jackson. He is quite interested in art and history as well as other subjects. He has not participated in any sports, something that we wish to change. We wish James luck in a much smaller high school.

Prom Highlights

The juniors are working quite hard to put on a grand prom. The boys and girls saw a movie on Portugal and decided on the theme decorations. They also talked about the bids. The annual affair will be held on April 28, in the high school gymnasium. Good food and great music will highlight the dance.



Como Amiga

Judy Waugh's home provided setting for election and installation of new officers of Como Amiga sorority. Spring semester leaders include Jane Kaiser, president; D. J. Gilcrest, vice-president; Pearl Kutsurelis, secretary; Eleanor Royce treasurer; and Marylyn Mauger, corresponding secretary.

During the meeting past president Judy Waugh received a gavel and present. Also receiving a gift was Ruth Anderson, sponsor. Formal initiation followed the election.

Initiates included Carol Burdick, Jean Johnson, Marylyn Mauger, Dixie Long, Phyllis Nase, Sharon True, Mary Townes, and Joan Rode.

Sorority sisters are planning a personal shower for Marian Bruce in February. Miss Bruce will become the bride of Marv Kempf March 4. Preparations also are being made for Como's annual joint dance with Sigma Phi Kappa sorority. "Showboat" will be theme of affair which will be presented May 5 from 9 P. M. to 1 A. M. in Mirror Room of Elks Temple. Bill Rase's orchestra will be engaged for event.

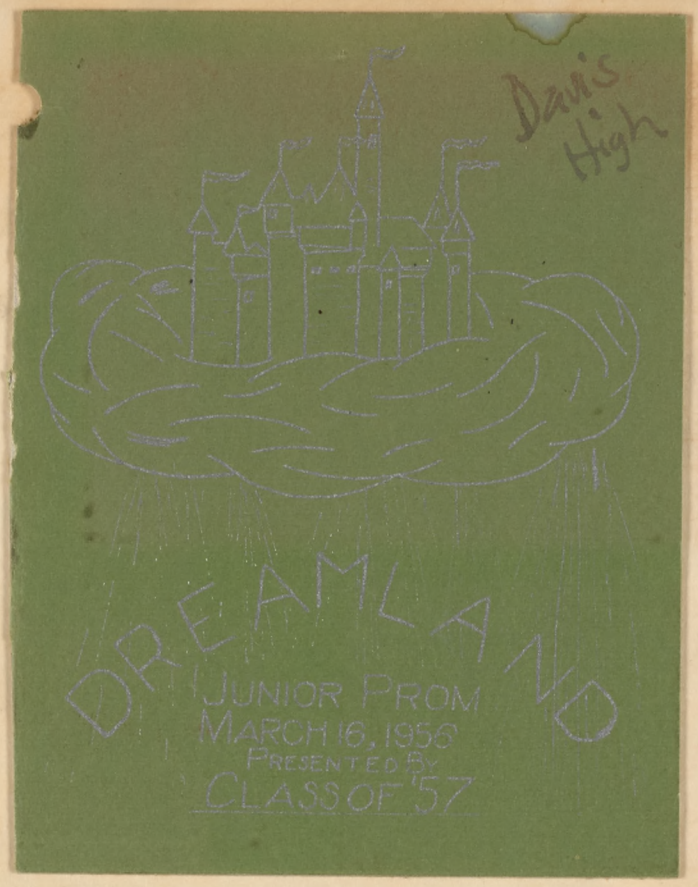
On April 4, James Mellow, a former student returned to Jackson High School. He has been attending Phoenix High one of the larger high schools in the country. James attended elementary schools in Sutter Creek and Jackson. He is quite interested in art and history as well as other subjects. He has not participated in any sports, something that we wish to change. We wish James luck in a much smaller high school.

Prom Highlights

The juniors are working quite hard to put on a grand prom. The boys and girls saw a movie on Portugal and decided on the theme decorations. They also talked about the bids. The annual affair will be held on April 28, in the high school gymnasium. Good food and great music will highlight the dance.



Como Amiga

Judy Waugh's home provided setting for election and installation of new officers of Como Amiga sorority. Spring semester leaders include Jane Kaiser, president; D. J. Gilcrest, vice-president; Pearl Kutsurelis, secretary; Eleanor Royce treasurer; and Marylyn Mauger, corresponding secretary.

During the meeting past president Judy Waugh received a gavel and present. Also receiving a gift was Ruth Anderson, sponsor. Formal initiation followed the election.

Initiates included Carol Burdick, Jean Johnson, Marylyn Mauger, Dixie Long, Phyllis Nase, Sharon True, Mary Townes, and Joan Rode.

Sorority sisters are planning a personal shower for Marian Bruce in February. Miss Bruce will become the bride of Marv Kempf March 4. Preparations also are being made for Como's annual joint dance with Sigma Phi Kappa sorority. "Showboat" will be theme of affair which will be presented May 5 from 9 P. M. to 1 A. A BRIEF HISTORY OF THE AMIGOS CLUB

By FRANK S. SHIPP

In the spring of 1950, emerging from the lethargy imposed by a winter of inactivity, and acutely aware of the need of an active men's organization in Sacramento, a small but determined group of men decided to do something about it.

After several preliminary meetings and discussions a group comprised of Clifton Roberson, Clarence Craig, Malcolm Colbert, Rial Colbert, Sylvester Jennings, DeWitt Parker, Claude Matthews, and Frank Shipp, meeting in the home of the latter, formed the nucleus and first permanent organization of what is now the AMIGOS CLUB and the following year became incorporated under the laws of the State of California as a non-profit corporation officially known as AMIGOS OF SACRAMENTO, INC., but more popularily known as AMIGOS.

By constitutional declaration the club is of a social nature but does engage in those civic projects which it deems worthy such as charity drives, activities which embrace and affect the whole community, and maintaining a blood bank, to mention a few, but there are others. Among others in the social activities are included the annual Formal Ball, Popularity Contest, Cabaret Ball, parties, dances, picnics and various media of entertainment.

At present the club is looking forward to the construction of its permanent home on property recently acquired on Stockton Boulevard.

Past Presidents in their respective order are: Shipp, Parker, R. Colbert, Craig, Roberson and now serving, Fontenette. From the original eight the club now numbers twenty-eight active members.

New Student

On April 4, James Mellow, a former student returned to Jackson High School. He has been attending Phoenix High one of the larger high schools in the country. James attended elementary schools in Sutter Creek and Jackson. He is quite interested in art and history as well as other subjects. He has not participated in any sports, something that we wish to change. We wish James luck in a much smaller high school.

Prom Highlights

The juniors are working quite hard to put on a grand prom. The boys and girls saw a movie on Portugal and decided on the theme decorations. They also talked about the bids. The annual affair will be held on April 28, in the high school gymnasium. Good food and great music will highlight the dance.

'After the Ball Was Over, After Break of Day'

By BARBARA WALLS
McClatchy High School Correspondent for The Sacramento Union

The pomp and circumstance is over; the tears have been shed; and the diplomas have been given. The only thing left to do is to throw a party and celebrate. Ray and I, as did so many other couples, decided to go to the all-night grad party which was given for the graduates in the Elks Temple.

We arrived at about 11 o'clock, wide awake and full of enthusiasm. In the Mirror Room, Bill Rase and his orchestra already had started playing for the arriving couples, and we could see many of our friends dancing.

No doubt you and your orchestra saw for yourself how much the youngsters enjoyed the evening of entertainment that you provided. (Someone told me that you enjoyed it, too.) I hope that you did.

We really appreciate the donation of your time and energy for the childrens' sake. We hope that your New Year will be a very happy and prosperous one as a return for your kindness. Sincerely, Father Kavanagh. Director

WHAT I FOUND OUT

BY **BILL RASE**

Station KCRA, Sacramento, Cal.

I'm a disk jockey, danceband leader, and have my own variety show here in Sacramento. For 10 years I've been in direct contact with dancers, entertainers and phonograph records, and will pass on to you what I've found out.

My work is divided between the teenagers and adults. My orchestra features the popular hit parade top 30 tunes and I've found out that by supplementing these with standards, change of tempo tunes, and a few band originals, I book about 75% of all big teen-age and cream adult dances in the area. I find that the adults want songs that were hits in their high school and college days. We call them memory tunes.

The same is true with dj work. In the adult listening periods I feature the old time favorites and few of the lighter pop tunes. In live TV I do the same.

You songwriters always are hunting for reasons for the success of some songs and failure of others. It's hard to start new trends in taste in selling, but easy to follow them. My hat is off to you who are in the toughest end of the music business.

For a long time the majority of the hits have been vocal recordings. No matter how pretty and catching the melody is, the story is told in the lyric.

The simpler the melody, the easier the kids can learn it. The trend toward rhythm and blues and the Presley Western rhythm tunes show how much the kids like a strong beat. One reason is because of their dancing habits.

The "Bop" is very near to the old "Jitterbug" excepting it is harder to perform when the music is too fast. The feet are on the floor and movement is more with the toes, ankles, and at the waist. Therefore, a strong beat is the necessary thing.

During the war music was fast and exciting to match the times. Later, the fellows came home and settled down. So did the music. Now tempos are gradually becoming faster and faster. So is the tempo of the world.

Even with all the junk that comes out there always will be a few great tunes each year.

Many of you will blame the music situation on the disk jockey. I believe you are partly right. But I do not believe we will ever go back to the "good old days" as some people preach us to do.

The record business is about 10 times as big as it was in the '40's, so keep on trying. There's room for a whole bunch of new writers. If I knew where to go from here, I could make a whole bunch of loot. Why not follow the trend of today? Perhaps Calypso, r & b, but back the other side of the record with what's really you. The record companies are in this game for the money more than to improve the musical mind of the layman. Please him by following the selling pattern with one side and be yourself on the other.

Good luck!!!

McClellanites–5,000 Strong–Enjoy Record Breaking CEAS Annual Dance

The largest crowd (5,000) to ever attend the big Red Ticket Dance jammed Governor's Hall, at the State Fair Grounds two Saturdays ago. This highlight of McClellan's social season was a fitting climax to the most successful fund drive in the six year history of the Civilian Employee's Aid Society.

Bill Rase and his band, always enjoyable, outdid themselves in this, their fourth engagement, playing the kind of music that young and old alike could enjoy. As an added attraction Bill brought along Jackie Walker, from Hollywood, where he is a TV and recording artist. Also on hand was Jack Finch, rising young local vocalist who is a member of the Bill Rase organization.

For a time it seemed everyone from McClellan was about to wind up at the dance. In spite of the large number of people, however, the dance floor never appeared to be overly crowded. From time to time we could see some of the oldsters dragging tired feet in the direction of the settees alongside the auditorium, while others drifted out toward the garden cafe to relax with a cool drink while listening to the instrumental magic of the Tiny Moore Trio.

At the stroke of midnight, the music stopped. As if on a signal, everyone not already there, began streaming through the doors toward the bandstand. A hush descended on the throng, while a sea of anxious faces looked toward Art Peterson, chairman of the Aid Society, as he prepared to announce the start of the all-important drawings. Darwin Scher stood by ready to read the winning ticket numbers

McClellanites–5,000 Strong–Enjoy Record Breaking CEAS Annual Dance

The largest crowd (5,000) to ever attend the big Red Ticket Dance jammed Governor's Hall, at the State Fair Grounds two Saturdays ago. This highlight of McClellan's social season was a fitting climax to the most successful fund drive in the six year history of the Civilian Employee's Aid Society.

Bill Rase and his band, always enjoyable, outdid themselves in this, their fourth engagement, playing the kind of music that young and old alike could enjoy. As an added attraction Bill brought along Jackie Walker, from Hollywood, where he is a TV and recording artist. Also on hand was Jack Finch, rising young local vocalist who is a member of the Bill Rase organization.

For a time it seemed everyone from McClellan was about to wind up at the dance. In spite of the large number of people, however, the dance floor never appeared to be overly crowded. From time to time we could see some of the oldsters dragging tired feet in the direction of the settees alongside the auditorium, while others drifted out toward the garden cafe to relax with a cool drink while listening to the instrumental magic of the Tiny Moore Trio.

At the stroke of midnight, the music stopped. As if on a signal, everyone not already there, began streaming through the doors toward the bandstand. A hush descended on the throng, while a sea of anxious faces looked toward Art Peterson, chairman of the Aid Society, as he prepared to announce the start of the all-important drawings. Darwin Scher stood by ready to read the winning ticket numbers

Eunoia Club Dance Planned Tonight in Governors Hall

By SANDRA CASELLI

Eunoia Club members will hold their first come-as-you-are dance today in Governors Hall from 9 P.M. until 1 A.M. Bill Rase and his band will furnish music for the event which is themed "Playboy."

Music--Music with Bill Rase

A warm, friendly smile and a thorough knowledge of music have parlayed KCRA radio's Bill Rase into prominent recognition throughout Northern California. The popular KCRA "dee-jay" is now in his seventh year on Sacramento's NBC affiliated station and his popularity increases day by day.

Bill Rase has been music-conscious for as long as he can remember and in 1948 started his own dance band — a band which just recently played its 2,000th performance. This is quite remarkable in itself as Bill is just 30 years young.

To top off his brilliant record as a radio personality, Bill Rase stepped into television in 1955 and now has a weekly video show on KCRA-TV in Sacramento. The TV version incorporates more than a few of the successful ideas used over the years on his radio program.

At the present time, Bill is on the air Monday through Friday twice daily at 9:00 to 11:00 am and from 2:30 to 4:45 daily. In addition, he has a Saturday afternoon radio show from 12:00 to 4:00 pm.

Bill Rase, believe it or not, sings for a hobby as well as professionaly and is quite a record collector.

He was born on October 25, 1926 in Long Beach, California. He is married and his wife Shirley and he have two moppets; Suzzie, 4 years and Lori, 2 years.

Advertisers who have taken advantage of Bill's smooth and sincere radio salesmanship have found the results most amazing. Their increased sales have backed up the many surveys showing Bill Rase to be the highest rated local program personality.

Rating after rating, Bill has outrated all competition and on several occasions has topped the ratings of several disc jockey programs combined.

Bill's appeal primarily comes in his selection of music slanted to the type of audience listening in. These audiences are composed of the Teen-age group, the Housewife, and the automobile listener. The format calls for new records, pop albums, sweet music, old favorites, and those numbers currently on the Hit Parade.

For participations in any of the popular Bill Rase radio programs, contact your nearest Petry representative or KCRA Radio in Sacramento.

David Rose Leads Fair Band In Pleasant Hour

The elegant, durable stamp of David Rose—a stamp which ensures gloss, glitter, melody and musicianship—is on the State Fair orchestra this year, and it is a mighty pleasant package to receive.

The renowned Hollywood composer and arranger is leading the expert, highly professional orchestra in free concerts daily at 4:30 and 7:15 on the bandstand, with two extremely personable vocal stars, Robert Dixon and Peggyan Alderman, as added attractions.

Attractive Music

The net result is an hour of varied, attractive music, styled well to the occasion without ever "playing down" to it. Rose and t[illegible] have the good sens[illegible]at good music [illegible] own with[illegible] be[illegible] a c a[illegible]ng songs, [illegible]olley Song an[illegible] Bows; a piece o[illegible] cotton candy called [illegible]tite Waltz; tunes from S[illegible]h Pacific; a fancy Rose arrangement of the Song Of The Vagabonds; a brisk study in contrasts called American Hoe Down; the matchless Walter Gross ballad, Tenderly, and, of course, the conductor's most famous brainchild, Holiday For Strings.

Minimum Of Fuss

Rose leads them with a minimum of dramatics, tossing in a quiet smile and a modest word or two now and then. Bill Rase, as master of ceremonies, strings along with this attitude by introducing things in a manner which is perhaps a little too casual but likable nonetheless. I will take a casual MC any day to the type that operates on the brink of hysteria.

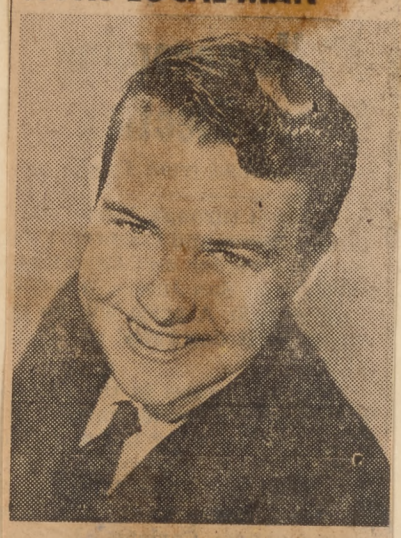
IMPERIAL RECORDS SIGNS LOCAL MAN



JACKIE WALKER

Jackie Walker, a former student of the North Area schools and presently a sophomore at UCLA, is currently inspiring his many followers with his latest release of "Peggy Sue" and on the flip side, his own composition, "Wonderful One."

Incidentally, the Cash Box Music magazine in the October 19 edition gave Jackie a very good record review with the following comments:

"Peggy Sue"—Jackie hands in an exciting rock and roll side that could break wide open. Socko Swinger with a real wild foot stompin' backdrop. Torrid stuff. Watch real closely.

"Wonderful One"—Walker slows up the pace on this end as he charts a warm and melodic fish-beat ballad. The younger set should find both halves appealing.

The success story began here in the Sacramento area a few years back when he was chosen by the Sacramento chapter of the Red Cross to appear in variety shows at nearby air force bases. He also landed parts in many plays at the Eaglet and Little theaters and on many of the locally televised variety shows.

Imperial Records are presently making plans to send him on a tour of the east and he will also make a few local appearances here with Bill Rase and his show around Thanksgiving.

Elvis Presley

ONE SACRAMENTO disk jockey agreed to play three solid hours of Presley records if he received at least 1000 letters from fans. Within one week he got 4500. The three-hour session was played last week.

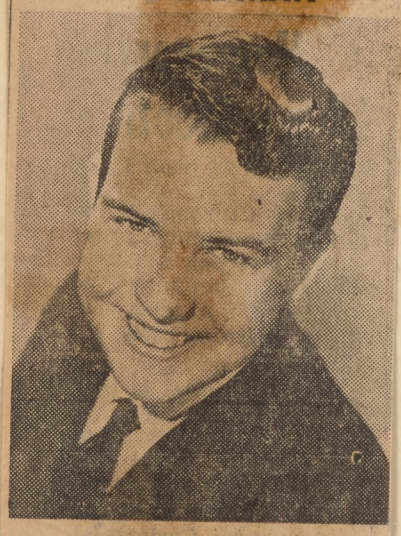
IMPERIAL RECORDS SIGNS LOCAL MAN



JACKIE WALKER

Jackie Walker, a former student of the North Area schools and presently a sophomore at UCLA, is currently inspiring his many followers with his latest release of "Peggy Sue" and on the flip side, his own composition, "Wonderful One."

Incidentally, the Cash Box Music magazine in the October 19 edition gave Jackie a very good record review with the following comments:

"Peggy Sue"—Jackie hands in an exciting rock and roll side that could break wide open. Socko Swinger with a real wild foot stompin' backdrop. Torrid stuff. Watch real closely.

"Wonderful One"—Walker slows up the pace on this end as he chants a warm and melodic fish-beat ballad. The younger set should find both halves appealing.

The success story began here in the Sacramento area a few years back when he was chosen by the Sacramento chapter of the Red Cross to appear in variety shows at nearby air force bases. He also landed parts in many plays at the Eaglet and Little theaters and on many of the locally televised variety shows.

Imperial Records are presently making plans to send him on a tour of the east and he will also make a few local appearances here with Bill Rase and his show around Thanksgiving.

Elvis Presley

ONE SACRAMENTO disk jockey agreed to play three solid hours of Presley records if he received at least 1000 letters from fans. Within one week he got 4500. The three-hour session was played last week.

BILL RASE
KCRA, Sacramento, Calif.

In the California Central Valley, the hit parade scene is about the same as across the land. We dig Rock and Roll, pretty ballads, and discs by the big names. We do have a feature I think is a good one on my shows. My fans do all they can to promote recording artists from our area who are trying to make it big.

Some Sacramento area artists include Russell Arms on Era records; Eddie Howard for Mercury; Claire Austin with Good Time Jazz; Jackie Walker on Imperial; Johnny Mathis, Columbia; and Margie Rayburn, Liberty.

We call Johnny our own, and try to help him along, as we have in the past for other Bay area artists such as Rusty Draper, Tony Martin, and Phil Harris. Margie Rayburn used to sing with my dance orchestra. Her hit, I'm Available, makes us very happy.

I've been playing the top hits for all my disc jockey days and with great success. Here are some of the features we have that really go over well: phone-in dedications, mystery record winners, and free pictures of recording artists—I've given away 22,000 so far! It's all teenagers! You can understand the pleasure I have in talking and writing to 'teens, when you know that they have made me the most-listened-to deejay in Sacramento, for the last five years.

A Few Notes About Bill Rase

Our "cover boy" on this RCA Victor recording jacket is Sacramento's own Bill Rase . . . a long-time local favorite and veteran of more than eight years as KCRA Radio's stellar dee-jay.

Bill has consistently out-rated all competition — local and network and has handily earned the title of "Sacramento's most-listened to radio personality."

A hometown product, Bill knows his radio audience — as a successful disc jockey and an outstanding band leader. He and his band have played for countless dances and functions.

No wonder Sacramento area folks call Bill Rase their favorite radio personality.

We sincerely hope that you thoroughly enjoy these selections on this RCA Victor High Fidelity Recording and that you'll let KCRA Radio's Bill Rase hear from you.

All-Night Party

"Pandemonium" will reign tomorrow from 11 p. m. until 5 a. m. in the Elk's Temple as the Class of 1958 and their parents stage El Camino's first all night Graduation Party. The cost of the semi-formal party is $1990.00 all of which has been paid for by car washes, cake sales and the advance sale of bids.

Once the three dollar bid cost has been paid, however, the evening is a free one. Free coat checking, fortune telling, hand writing analysis, polaroid pictures, catered food (all you can eat), professional entertainment and eligibility for door prizes are just a few of the party features in addition to Bill Rase's ten piece band and the Cannonball jazz band, which will perform in the dining room until 2 a. m.

It Pays To Tell A Fib

SACRAMENTO, CALIF.—Bill Rase, one of KCRA's top dee jays, (far left) has just found out it pays to tell a fib . . . anyway, when it's in fun. Bill was awarded a portable TV set for submitting the winning entry in a contest sponsored by RCA Victor and its distributors in conjunction with the latest Eddie Heyward recording "Lies". The contest asked jockeys to request from their listeners any "tall stories". And a Bill Rase listener's tale topped all other entries. Shown above with the dee jay are (l. to r.) Herb Tourville, RCA Victor record salesman; Bob Adams, Chuck Carney and Chuck Foster of the Leo J. Meyberg Company, Victor's San Francisco and Sacramento distributor.

It Pays To Tell A Fib

SACRAMENTO, CALIF.—Bill Rase, one of KCRA's top dee jays, (far left) has just found out it pays to tell a fib . . . anyway, when it's in fun. Bill was awarded a portable TV set for submitting the winning entry in a contest sponsored by RCA Victor and its distributors in conjunction with the latest Eddie Heyward recording "Lies". The contest asked jockeys to request from their listeners any "tall stories". And a Bill Rase listener's tale topped all other entries. Shown above with the dee jay are (l. to r.) Herb Tourville, RCA Victor record salesman; Bob Adams, Chuck Carney and Chuck Foster of the Leo J. Meyberg Company, Victor's San Francisco and Sacramento distributor.

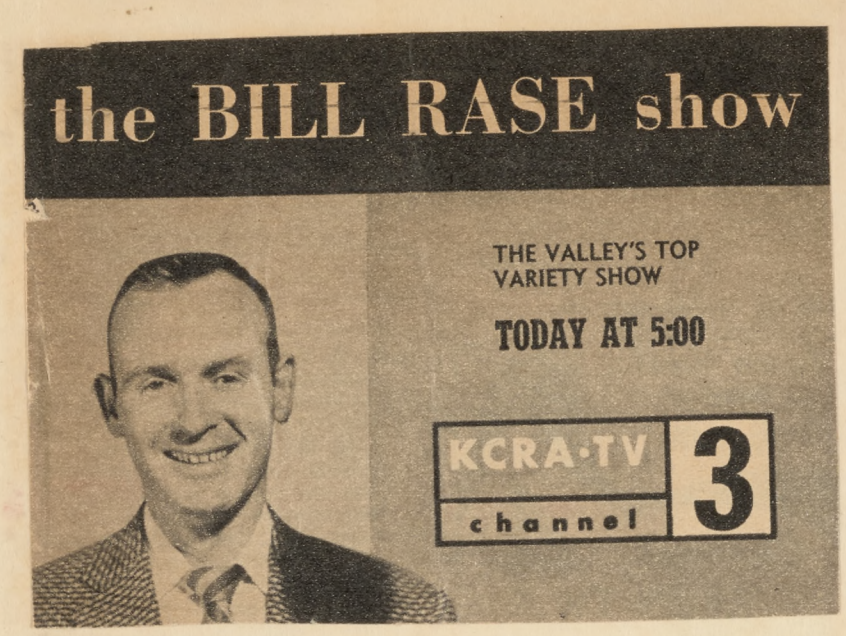
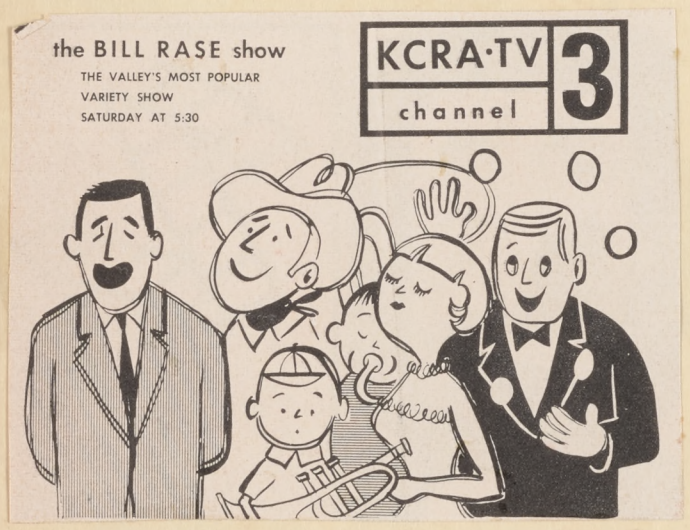
Chamber Holds First Meeting

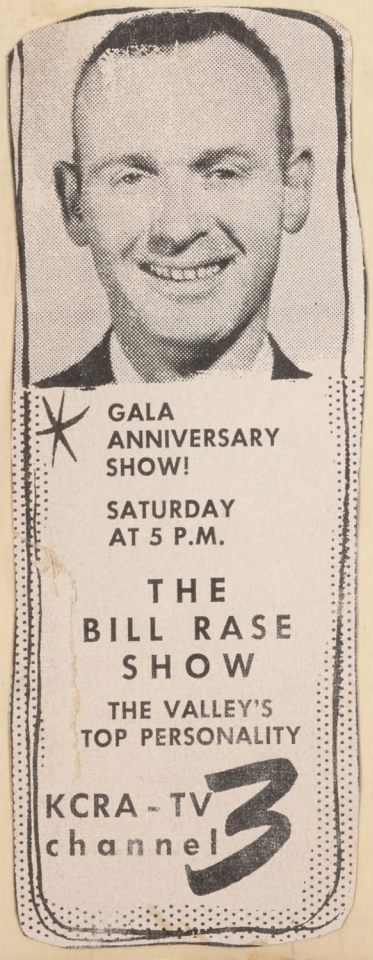
The Del Paso Heights - Robla Chamber of Commerce held its first luncheon meeting on February 11th at the New Colonial Cafe in North Sacramento. It was a board of directors meeting. President Joe Bravo presided over the meeting.

Chairman for the luncheon meeting was Clarence J. Rehberg.

The main topic of business was the first annual installation dinner - dance that is to be held on February 26th in the multi-purpose room of the North Avenue school, located at North avenue and Dry Creek road in Del Paso Heights. The installing officer and M.C. for the evening will be George Requa, chief of the Arcade Fire Department. Bill Rase will provide the music.







Carmichael Personality — It was the most natural thing in the world that Bill Rase, one of Carmichael's newest residents, should have have gone into television and radio. His father was an actor, his mother and sister were singers and M. Rase started his own dance band while he was a student at Sacramento State College.

Mr. Rase emcees his own variety show on channel 3 TV at 5 p.m. on Saturdays and disc jokeys a program on KCRA radio every afternoon except Sunday.

Just about every top name in the entertainment business who comes to Sacramento appears on Mr. Rase's shows. The list includes such personalities as Nat King Cole, Jerry Lewis, Eddie Fisher, Frankie Lane, Jimmy Rodgers, Rex Allen and Richie Valins.

There is a story behind how Mr. Rase came to [illegible] the first disc jockey in Sacramento to play Elvis Presley records on radio. When Elvis began making records, a ot of disc jockeys refused to play them over the air. So Mr. Rase agreed to put them on if he received 1,000 letters with requests. Final total: 8,000 letters.

Mr. Rase was born in Long Beach but has spent amost all his life in Sacramento. He was the student body president at Sacramento State and, before that, at Sutter Junior High School.

His plan in state college was to become a school teacher. But he helped to form a dance band and has had his band for 10 1/2 years. He says that while he has had some of the same musicians for nine years, he has "gone through" enough musicians to make up 30 bands. He has played for 2,500 dances.

One of his high spots was the appearance on the coast to coast Eddie Cantor TV show two years ago.

In his home at 5701 Fair Oaks Boulevard Mr. Rase has more than 1,000 record albums. But his hobby is not collecting records but coins. Mr. and Mrs. Rase have two daughters. Susie, 5 and Lori, 3.

He says one of the main purposes of his show is to give young talent a chance to perform on TV. Although he is booked up for 10 weeks he is always interested in giving auditions to promising talent.

Introduce New Song Saturday

Jack Swobe and Joan Hill discuss a musical arrangement of "And Now You're Gone", a new song written by Swobe; with Bill Rase, center, popular radio and TV personality. The new song will be introduced on Rase's TV show this Saturday. Joan who lives at 1936 Terrace drive, will sing the lyrics. She is a former professional vocalist having appeared at many of the leading hotels in Nevada. Both Rase and Joan are local resi-

FREE ENTERPRISE?

Bill Rase, whose band plays for so many of the younger set's affairs, can vouch for the modern generation. With so many people decrying the lack of ambition in our modern youth, Bill has an argument to offset their opinion.

It all started several weeks ago when Bill's musical library was stolen from his car following a casual date. Bill was insured for the loss but the immediate problem was to get the band swinging for the following weekend. The fellows in the band got busy at once recopying parts from the original scores, which fortunately were not with the stolen goods.

While all this activity was going on Bill received a telephone call and a young voice on the other end of the line began reading a list of the stolen tunes in their proper sequence. After talking for several minutes, the youth offered to sell Bill his own library. The asking price was $200. Inasmuch as Bill was covered and still owned the scores—AND knew the REAL value of the book, he turned the guy down. Bill's remark was, "I've heard of free enterprise, but this is ridiculous!"

Our only editorial comment is that we hope that this does not foster another non-union band.

Big business... Phonograph records... It isn't easy to say why but, my guess is; 1, the disk jockey has helped the 'ticker tape' tingle at the top spot along with, 2, the improved methods of getting the platters to their retail outlets at atomic speed, 3, the advent of well made long playing albums, and 4, the interest in Hi-Fi. I'd put the last in first place when it comes to importance. There's something else too. Yep, RADIO! The unwanted stepchild of TV's early days has contributed more than you think to the renaissance in popular music (and I'd have to include sepia, western - yeah podner - and pops under that title). It's because radio is really an invitation to 'easy listening' - no effort for teen-ager or advanced listener, no strain for the once cringing adult. Radio makes few demands on the listener, but its effects are insidious and long lasting... And the trend is to sweet music. I applaud!

A Few Notes About Bill Rase

Our "cover boy" on this RCA Victor recording jacket is Sacramento's own Bill Rase . . . a long-time local favorite and veteran of more than eight years as KCRA Radio's stellar dee-jay.

Bill has consistently out-rated all competition — local and network and has handily earned the title of "Sacramento's most-listened to radio personality."

A hometown product, Bill knows his radio audience — as a successful disc jockey and an outstanding band leader. He and his band have played for countless dances and functions.

No wonder Sacramento area folks call Bill Rase their favorite radio personality.

We sincerely hope that you thoroughly enjoy these selections on this RCA Victor High Fidelity Recording and that you'll let KCRA Radio's Bill Rase hear from you.

Dear Bill:

I am writing this letter in appreciation of your fine performance at our all-nite graduation party held at the Elks Temple. I am sure that all La Sierra graduates agreed that your band played a tremendous part in making this, our first graduation party, a huge success. To sum it up in a nut=shell: We feel your band is great! and you are equally as great!

I am sure I'm conveying the feelings of all my fellow students in saying that June 13, 1959, will be a night to remember, not only for the graduation excercise itself, but also for the wonderful time had by all at the grad party.

Thanks wnce again for a splendid performance.

Dear Mr. Rase:

On behalf of the California Medical Facility and its Staff, as well as the members of the Sunday Activity Committee, we extend to you our sincerest appreciation for the wonderful show that your entire group presented to the Population if this Institution.

It was certainly a pleasure to have you here to share your great talent with us. The inmates here were more than pleased with the entire show. It is seldom that we are favored with such great musical artistry, and when we are so fortunate, it is received with enthusiastic appreciation.

The topic of conversation throughout this Institution is, "When do you plan to ask them back again?", so, we're anxiously anticipating your return in the near future if you'll kindly accept our hearty invitation, and if your busy schedule permits.

We again thakn you for your efforts, interest, and consideration.

Dear Bill

I just wanted to drop a few lines to let you and the members of the Booster Club, know how much I appreciate what you and they are doing.

I really think it is wonderful. When you get that kind of reaction, it makes what you are doing, worth all the time and effort.

All I can say is that I am thrilled with the "Booster Club" and want to thank you and all the members for the help in making the club a success.

If I can be of help in any way, let me know.

Gratefully

Doris Day

Dear Bill -

Burbank Cal.
May 25 - 53

I just thought I would write you a few lines to say hello and to all the members of the club.

My husband and I just returned from a five week trip in the east and midwest. We really had a wonderful time, except for the weather. It rained two thirds of the time. It makes you appreciate the weather in Cal. I met all the disc jockeys in Cincinnati and New York and there are quite a few of them. I enjoy talking, but not quite as much as I did for the past five weeks.

Paul has told me how the club is growing, and I think it is so wonderful and I really appreciate what everyone is doing for me. I may get the chance to visit Sacramento this summer and if I do I will be able to thank you and all the members in person. Please tell them all hello for me.

Most Gratefully
Doris Day.

P.S. I am so glad they like my record The Red red robin.

Dear Miss Day:

Enclosed find copies of a couple of letters you wrote me in 1953 when I was a young disc jockey aT RADIO STATION KCRA in Sacramento.

You also had your label send me some of your new releases from time to time on acetate metal pre-releases.
One time, when I was in Hollywood to record for some small label I was staying in a motel accross from Hollywood High and your brother dropped by to give me a new release of yours. I still have some of the old acetates in my collection.

I have always enjoyed your great talent and hope to meet you one day.

Sincerely,
Bill Rase

Bulletin: Vacation Soon

BULLETIN: Woodland High School students will enjoy one weeks' vacation from their studies beginning March 28. School will resume after Easter Vacation on April 6.

Few Complications Caused by Measles

Lumps on the back of the neck and along the hairline are the first symptoms of the three-day German measles which seem to be invading WHS. The rash then breaks out along the face and from there spreads to the rest of the body. In three or four days the rash should disappear.

The incubation period for the measles is from fourteen to twenty days. The average is sixteen days however. There are seldom any complications.

"We assume it is not becoming an epidemic", stated Mrs. Prudie Powell, Woodland High School nurse. Mrs. Powell also said that the Yolo County Health Department has advised against closing school, for it is best everyone have this type of measles and get it over with.

Full Length Movie For Spanish Classes

The Spanish classes held a candy sale March 13 to help pay for the movie they are going to have in April. The title of the movie is A Volar, Joven! The movie star, Cantinflas, is one of Mexico's greatest comedians. The movie is the story of a cadet in the Mexican Air Force.

N. Meyers Chosen For Girls' State

Nancy Meyers, junior, has been selected on the basis of scholarship, leadership, and citizenship to attend the Tenth Annual Girls' State in Sacramento June 17 to 25.

Girls' State, which will be held in the California Junior High School, is a practical lesson in democracy. Its purpose is to install in the minds of young American women a sense of obligation to their city, county, state, and national governments. During the sessions the girls will set up city, county and state governments with the girls filling the offices and making the laws. They operate political parties called the Whigs and Tories during the state election campaigns.

Nancy, who was chosen from the junior girls by a faculty committee, will be sponsored by the American Legion Auxiliary.

Last year approximately 38 girls from all over California attended Girls State.

1,020 Get X-Rays From School Unit

It was reported by Mrs. Prudie Powell, school nurse, that 1,020 people received x-rays in the survey held at the high school, March 11 and 12. Among these were students, faculty, maintenance workers, bus drivers, and cafeteria workers. Approximately 100 students will have another chance to receive an x-ray on March 26 or 27 when the unit will be at Raley's Market.

The technicians who handled the survey declared that they had found Woodland to have the best organized x-ray program of any high school with which they have worked. They added that they had never been able to do a high school survey so easily and quickly as at Woodland.

The technicians are from the Federal Security Agency, Public Health Division. They received their training in the Navy. Before coming to Woodland they conducted a survey in Fresno. From Woodland they will travel to Pittsburgh, Pennsylvania, driving across the country.

The x-ray program is being sponsored by the Yolo County Tuberculosis and Health Association.

Student Constructs Boat in Class Time

A project requiring one and a half years work in his Farm Mechanics class has resulted in a neat one passenger hydrophane for Ralph White. This senior boy built the boat in his Farm Mechanics class at an estimated cost of $65 but it could not be purchased in a store for less than $150.

Ralph made his boat out of fir and plywood and painted it a bright red and yellow. He has equipped it with a steering wheel and crash throttle. To power this craft, Ralph has installed a Martin 60 outboard motor.
